LR-LINK

Professional NIC Solution Supplier

WHY LR-LINK IS THE BEST CHOICE?

- 18+ Specialized in NIC of R&D and Manufacturing

- Server, IPC, PC application-based solution providers

- Products based on mainstream chips as Intel, Marvell, Broadcom, Net-swift, and MUCSE

- Free Pre-sales consulting & post-sales support.

- Average annual growth > 20 %

500+
Full Range of Products

3,000+
Cooperative Customers

5,000,000+
Sold Worldwide

LR-LINK

MILESTONES

- **FTTD** series used in the military industries

- First overseas order

- ➤ **Create LR-LINK brand**

- ➤ Enable the **Fiber NIC** product line

- ➤ New Generation Gigabit Diskless NIC

- Exported to **50+** countries in the world

- Launched **FPGA** Series Network Cards

- Passed the "**High-tech Enterprise**"

- 20+ independent intellectual property

- Launched **OCP3.0** Series

- Launched **PCle 5.0** Retimer

- **FPGA Network Security Isolation Cards**

- Launched **400G/200G Series**

- 5G Communication- **TimeSync NIC**

CULTURE

- **Integrity**
- **Innovation**
- **Pragmatism**
- **Win-win**

Promote technological innovation and revitalize national brands

Linkreal keeps improving related skills centered scientific and technological innovation.

We attemp to establish an independent high-end brand in information technology with world-class data security storage products and services.

Set new heights for products, provide precise services, create value for customers, and build a high-quality brand.

Pay attention to demands and values from customers

Linkreal insists customer-oriented and quick-response service to serve customers.

Quality First, Creat value

Linkreal insists quality first, aiming to product flawless goods and professional after service.

APPLICATION

Server
HPC/AI/General Server,
Cyber Security, 5G

IPC
Industrial Automation,
Machine Vision

PC
FTTD, Gaming

PRODUCT LINE OVERVIEW

Server

- AI / General Server
- Cyber Security
- 5G (TimeSync NIC)
- Accessories

IPC

- PCIe (Ethernet /PoE+/ USB / IO)
- M.2
- Mini PCIe

PC

- Copper (1G-10G)
- Fiber (1G-10G)
- Serial & Parallel Card
- USB Expansion

PRODUCT LINE OVERVIEW

Server	Data Center	AI Server	Network Card > 200G	OCP3.0 NIC	GPU Expansion Card	CXL	China made ecosystem
		General Server	Network Card 1G-100G	Expansion Card	OCP3.0 NIC	RAID Card · Backplane	
		Cyber Security	Gateway Isolation & One-way NIC	Bypass Card	Network Module		
		5G	25G TimeSync NIC				
		Accessories	Transceivers	AOC/DAC	High Speed Cables		
IPC	Mini PCIe / M.2	Mini PCIe	1G Mini PCIe				
		M.2	1G M.2	2.5G M.2	10G M.2		
	PCIe	Ethernet	1G Ethernet Card	2.5G Ethernet Card	5G Ethernet Card	10G Ethernet Card	
		USB	5G USB	10G USB			
		IO	32 Channel IO Card				
PC	Copper		1G PCIe Card	2.5G PCIe Card	5G PCIe Card	10G PCIe Card	
	Fiber		100M Fiber NIC	1G Fiber NIC			
	Serial & Parallel Card		To RS232	To RS485			
	USB Expansion		5G USB 3.0 Gen 1	10G USB 3.1 Gen 2
