

From origin to your **production line.**

Meet us at **BIOFACH 2027** · 16–19 February 2027 · Nürnberg, Germany

ABOUT US

Lansa Ingredients is an Amsterdam-based trading company specialising in organic food ingredients. We supply nuts, seeds, dried fruits, grains and pulses to food manufacturers, packers and distributors across Europe. Our team brings over 15 years of hands-on experience in the organic nut trade, with a particular strength in cashews. We work closely with trusted producers at origin and manage quality, documentation and logistics end to end, so our customers receive consistent, fully traceable products.

CORE PRODUCTS

Cashews

Chia seeds

Pumpkin seeds

Hazelnuts

Walnuts

Peanuts

Also available: other nuts and seeds, dried fruits, grains and pulses. Organic is our core business, complemented by a selected conventional range.

WHY LANSA

- 15+ years of specialist experience in organic nuts
- Direct relationships with producers at origin
- Quality, documentation and logistics managed in-house
- Full traceability from origin to delivery
- Personal, flexible service from a dedicated team
