

EASY ALU GO

The most versatile aluminium railing

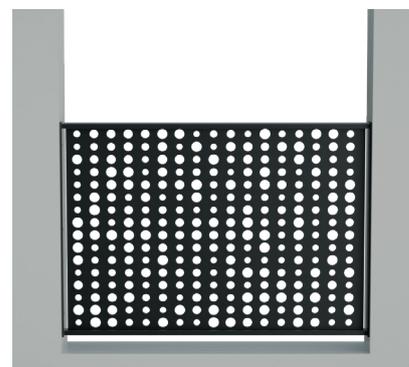

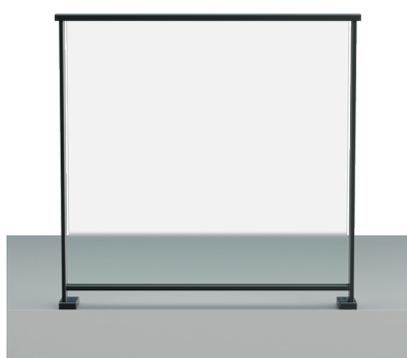

Easy Alu Go gives you all the benefits of a high-grade aluminium railing: an attractive price, a modern look and lightweight components. We also supply you with pre-assembled, ready-to-install railing modules that only need to be anchored on site. For you, this means an extremely fast assembly without having to do any preparatory work yourself.

Features

- Ready-to-install modules, custom made to your specifications
- No visible welding seams or screw connections
- Various infills possible: glass, vertical bars or perforated metal sheets
- Also available as Juliet balconies
