

BETTER WHEN IT'S BONKERS™

Cats can't speak human. But if they could, BONKERS Purrpops cat treats would leave them speechless. Not just because it's hard to talk cat with a Purrpop in your mouth. But because it's shockingly good. A meaty, chewy, crunchy, bitey cat-candy. 100% freeze-dried meat, served on a stick. No words, just purrs. Standard Purrpops reaction.
