

Rugged AR Glasses Designed for the Warehouse

Purpose-built for hands-free operation in the warehouse, Vuzix LX1™ smart glasses enhance productivity by combining powerful scanning capabilities and a heads-up color display. With integrated voice control and at-a-glance access to pick lists and data, workers can access inventory, manage shipments, and track orders without interrupting workflows or taking their eyes off the task at hand.

The Vuzix LX1™ is built to withstand the toughest environments. Its rugged durability, freezer rated operating temperatures down to -20°C, and a full-shift 7000mAh battery make it the perfect tool for extreme duty. A powerful 12MP camera, Qualcomm® processor, and enhanced microphone array enable continuous, voice activated scanning for a safer, more efficient workforce.

VUZIX LX1™

DEVICE SPECIFICATIONS

OPTICS

- Display: High resolution OLED
- Brightness: > 2000 nits
- Contrast: > 10,000:1
- Supports left or right eye use

SYSTEM

- Qualcomm® octa-core 2.4 GHz processor
- 6GB LPDDR5 RAM
- 128GB internal flash memory
- Android 15 OS
- MDM available from multiple partners

SECURITY

- Secure Boot; Verified Boot

POWER

- Removable 7000mAh battery

CONTROLS

- 4 control buttons
- Voice control

CONNECTIVITY

- Wi-Fi 6E
- Bluetooth 5.3

AUDIO

- Integrated speaker (up to 100db output)
- Triple noise-cancelling microphones

CAMERA

- Up to 12-megapixel stills
- Auto-focus
- Streaming video at 1080p, 60fps
- LED flash/scene illumination
- High accuracy barcode scanning

INTEGRATED HEAD TRACKER

- 3-degree of freedom head tracking
- 3 axis gyro
- 3 axis accelerometer
- 3 axis mag/integrated compass

MOUNTING

- Variety of mounting options including cap, hardhat, headband and more

ENVIRONMENT

- Operating temperature -20°C to 45°C
(-4°F - 113°F)
- Operating humidity 0-95% RH
- Storage temperature -30° to 70°C
per MIL-STD-810H
- Storage humidity 0-95% RH
