

ARCHNES®

ARCH 2.0

Security in premium style.

Exclusive safes bringing
harmony between security and
design. For those who expect
more.

Security Elegance Style

We combine security and style,
creating products that not only
protect your valuables but also enrich
your space with elegant design.

We are manufacturers
of designer safes for
demanding clients
who seek reliability,
elegance and high
functionality.

We believe security can be stylish.
Our products combine protection
with timeless elegance, so you
never have to choose between
security and style.

ARCH 2.0

Safety cabinet with international certification according to EN 1143-1 standard, equipped with modern security technologies and an innovative opening mechanism, for secure storage of firearms and valuables.

Discreet protection

By pressing a button on the remote controller, the discreet cabinet transforms into a **safe** – the back section smoothly extends out, instantly drawing attention and highlighting its **unique** design and **precise craftsmanship**.

Separated internal space

Individual compartments

provide the necessary level of security in accordance with the highest standards while maintaining elegance.”

Easy to use

Our safes are equipped with an **intuitive** control system that ensures comfortable use without compromising security.

Material options

Wood Oak

We use quality oak wood that is carefully processed to high standards. Each piece brings natural warmth and harmony to your interior.

Metal Steel

Products made from quality steel with gray or black surface finish combine modern minimalist and industrial look with high functionality. Designed for lovers of clean lines.

Color variants

Light Oak LIGHT 1001

Ideal for bright and airy interiors, adds warmth and naturalness to the space.

Natural Oak NATURAL 1010

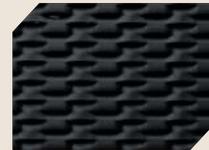

Timeless choice for those who appreciate authentic wood appearance.

Dark Oak DARK 1100

Luxurious and elegant, perfectly complements sophisticated spaces.

Surface finish

Matte RAL 9005

A decent minimalist choice for lovers of understated style.

Glossy RAL 9005

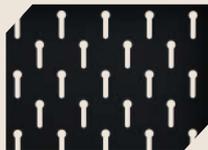

The safe's premium appearance adds elegance and luxury to the interior.

Internal rack

Gray RAL 7037

Modern and universal color that perfectly matches minimalist style.

Black RAL 9005

Classic choice for lovers of timeless design with emphasis on clean lines.
