ebro color

Ebro Color represents innovative, high-quality, and sustainable packaging solutions. From eye-catching folding boxes to custom designs, we combine state-of-the-art technology and creativity to make your products stand out. With a focus on precision, efficiency, and environmental responsibility, we partner with clients across industries to create packaging that not only contains but also drives success.

Success through Packaging - We bring your packaging ideas to life

Company History - 100 Years Ebro Color

1925

Visionary Beginnings

Vögtle Printing Company was founded by Josef Vögtle in Ebingen, Germany. From traditional book printing to laying the foundation for excellence.

1962

A New Era Begins

Erich Brodbeck introduces state-of-the-art offset printing technology, revolutionizing production capabilities.

1974

Strategic Relocation

The company relocates to a state-of-the-art production facility, scaling up to meet growing demand with modern infrastructure.

1984

Redefining Our Focus

Ebro Color GmbH emerges and becoming a leader in premium packaging solutions by specializing in folding cartons

1995-2009

A Decade of Innovation

Investment in groundbreaking technologies like the Heidelberg Speedmaster 52 Anicolor to deliver unparalleled precision and sustainability.

Company History - 100 Years Ebro Color

2017

Pioneering Digital Innovation

Launch of our first digital printing machine, opening new possibilities in flexibility and design.

2021

A Double Leap Forward

Acquired a second digital printing machine to meet demand, transformed the first into Europe's first food-safe system, and added a sheet lamination machine for even more refined finishes.

2023

Precision Reimagined

Introduction of a digital laser die-cutter, ensuring unmatched accuracy and customization.

2025

Pushing the Limits of Packaging

Installation of a next-generation automatic non-stop gluing and folding machine for extra-large boxes, setting new standards in efficiency and scalability.

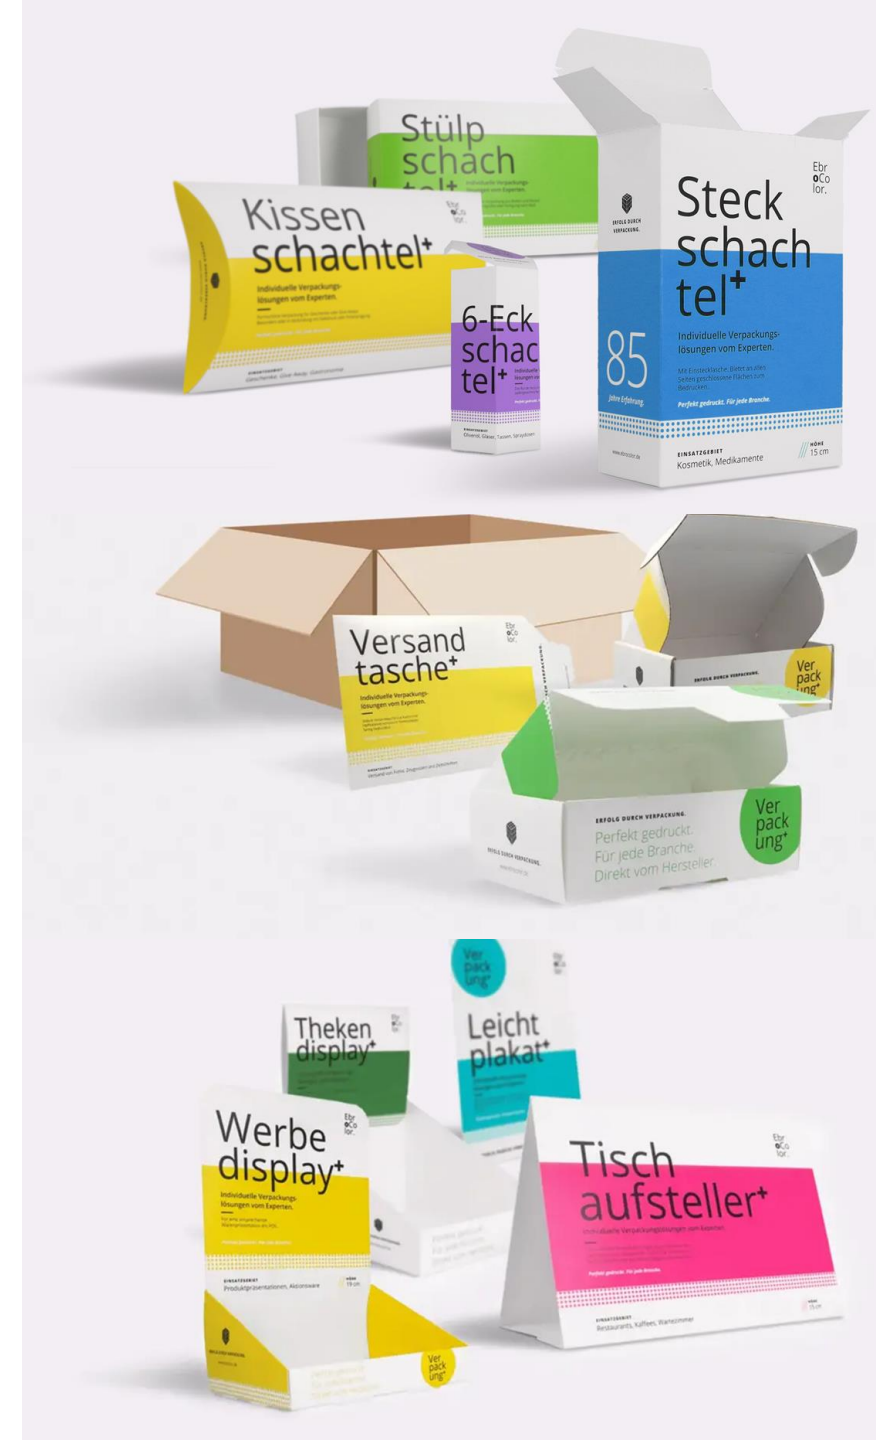

Product Portfolio

We offer innovative and high-quality packaging solutions tailored to your needs. Our product range includes:

- **Folding Boxes**
Flexible and customizable packaging solutions for various industries.
- **Shipping Boxes**
Durable and reliable packaging designed to ensure safe product delivery.
- **Displays & Cardboard products**
Creative presentation solutions for point-of-sale displays and brand visibility.
- **Custom Packaging**
Tailored solutions developed to meet unique and specialized requirements.

Our commitment to precision and sustainability ensures every packaging solution stands out.

Materials & Finishes

Providing a wide range of materials and advanced finishing options we are creating standout packaging:

- **Materials**
High-quality solid boards like white, recycled, natural, kraft, grass, and black, tailored to suit any product.
- **Finishing**
Enhance packaging with UV varnish, foil embossing, lamination, and laser cutting for a premium look and feel.
- **Printing**
Offset, digital, UV, and screen printing ensure precise, vibrant designs with customizable Pantone and HKS colors.

Our premium materials and innovative finishing solutions make your packaging both functional and eye-catching, leaving a lasting impression.

From Standard to Custom – Tailored Packaging for Your Product

Product Portfolio

Materials & Finishes

Customized Unique Solutions for Your Brand

By merging our **product portfolio** with premium **materials, finishes, and printing**, we turn simple packaging into a customized brand solution.

Quality Management

Ebro Color guarantees exceptional standards in packaging through a robust quality management system that combines advanced technology, certified processes, and trusted partnerships.

- **Certifications**

Certified quality operations according to ISO 12647-2 and DIN EN ISO 9001 guarantee consistent excellence and adherence to industry standards.

- **Technology**

Cutting-edge Heidelberg printing technology with spectrophotometric inspection of every sheet ensures precision and color accuracy

- **Material Selection**

Partnerships with reliable regional suppliers provide high-quality boards, inks, and coatings, ensuring sustainability and superior outcomes.

With innovation, meticulous quality control, and sustainable practices, Ebro Color consistently delivers packaging solutions that set new standards for quality.
