

# ADVANCED PREVENTIVE CARE

PROACTIVE HEALTH  
FOR DOG&CATS.  
STRENGTHENING IMMUNITY,  
ENSURING VITALITY

INVEST IN THEIR LONG-TERM WELLNESS.  
PREVENTION IS THE BEST CARE.

## ***Vision Statement***

"At Choo Choo, every bite is more than just food; it is peak nutrition meticulously crafted by animal nutritionists and veterinarians. Our mission is to provide 'Proactive Nutrition'—strengthening the immune system and minimizing future health risks. We are dedicated to ensuring your beloved dogs and cats live their longest, healthiest, and happiest lives by your side."

## ***Our Mission***

Ultimate Nourishment for a Better Life

Our products have no sodium, no color, and no preservative to help save cats' health in the long run. Choo Choo products have the aroma that cats are fond of, as only human-eat-grade fish and chickens with selective parts that generate the best aroma and taste are added to the product.

# Immune Boosting Formula

## Hydrolyzed Fish Protein Soup

- Nourishes and boosts immunity with concentrated hydrolyzed protein from sea fish in the form of small peptide molecules for immediate absorption by the body, aiding in efficient and rapid body recovery.
- Enhanced with beta-glucan for immunity.
- Taurine and glycine help strengthen the cat's health.

Energy: 24 Kcal per can

**Who is it for?** Cats aged three months and older, normal cats that need healthy nourishment, mother cats that have recently given birth, nursing mother cats, sick cats, and recovering cats.

## Hydrolyzed Chicken Protein Soup

- Boosts immunity with concentrated hydrolyzed protein from chicken.
- Cranberry extract aids in kidney care.
- Lysine, taurine, and glycine help strengthen the cat's health.

Energy: 24 Kcal per can

**Who is it for?** Cats aged three months and older, normal cats that need kidney nourishment, sick cats, and recovering cats.

## Booster Smoothie with Mackerel Shrimp and Astaxanthin

- Immune Augmentation: Astaxanthin enhances lymphocyte activity to optimize the body's natural defense against pathogens.
- Cellular Protection: Acts as a biological shield for white blood cells, preventing oxidative stress and extending immune longevity.
- Bioavailable Recovery: Hydrolyzed Shrimp Protein ensures immediate nutrient absorption for rapid muscle repair and tissue regeneration.
- Inflammatory Modulation: Effectively reduces systemic inflammation to support joint integrity and accelerate overall recovery.
- Comprehensive Wellness: Delivers essential nourishment to the neurological, ocular, and integumentary systems for peak feline vitality.

Energy: 58 Kcal per can

Formulate to meet  
AAFCO  
Standards

**Who is it for?**

- Symptomatic Support: Instantly boosts frontline immunity for cats showing early signs of illness.
- Surgical Recovery: Reduces inflammation and accelerates healing after neutering or surgery.
- Senior Wellness: Combats cellular aging to strengthen the immune systems of older cats.
- Kitten Growth (3+ Months): Establishes a vital protective shield for healthy early development.
- Vitality Restoration: Helps weak or recovering cats regain strength and peak health faster.
