

SAN TAN Tactical AR-15 Match – CLASSIC

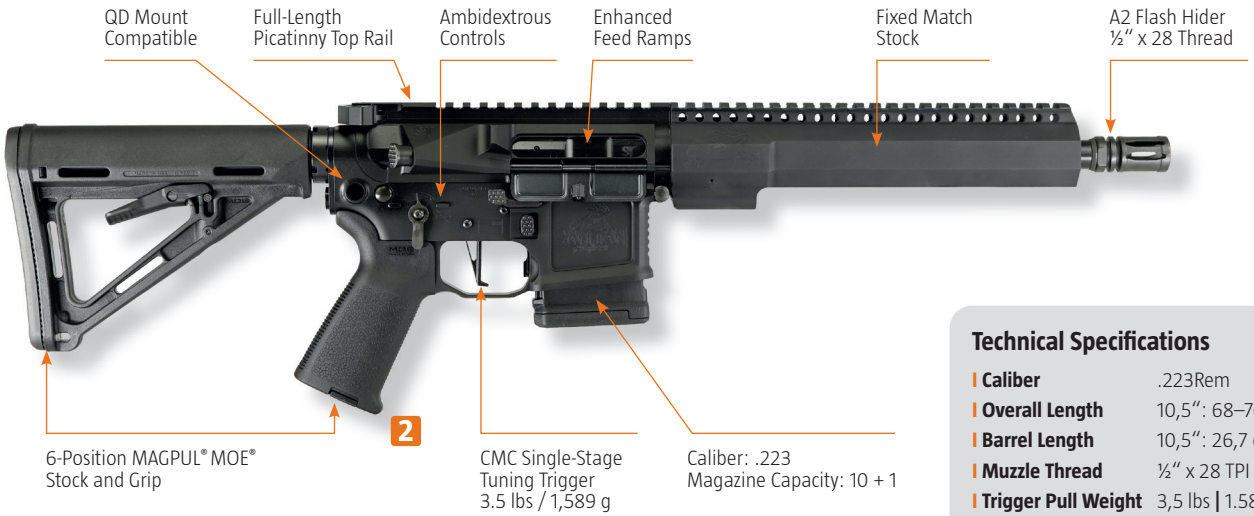

SAN TAN Tactical (STT) – American Manufacturing Expertise

SAN TAN Tactical stands for precision, thoughtfully engineered ergonomics, and high-quality components. Key features include its carefully engineered design details, ambidextrous controls, and comprehensive factory-level equipment package right out of the box.

Developed in cooperation with Texas-based manufacturers CMC Triggers and SAN TAN Tactical, FERKINGHOFF International further refined the ambidextrous AR-15 receiver set to create the new European variant, the **STT-AR 15 Match**. All components are manufactured in the United States and precision-machined by SAN TAN Tactical in its own production facilities using state-of-the-art CNC machinery.

The **STT-AR 15** combines outstanding manufacturing quality and uncompromising precision with **legal compliance** for the end user. Its adapted design **ensures compliance with applicable firearms regulations in Germany and other European countries**.

Img.	Item No.	Brand	Description
1	2230-58511	SAN TAN Tactical	AR-15 Match CLASSIC – 10,5"
2	2230-58501	SAN TAN Tactical	AR-15 Match CLASSIC – 16"

Technical Specifications

Caliber	.223Rem
Overall Length	10,5": 68–76 cm | 16": 82–90 cm
Barrel Length	10,5": 26,7 cm | 16": 41 cm
