ABOUT US

We are an experienced and qualified company that through more than 20 years in the business and innovation provides reliable answers to the needs of our worldwide customers.

We seek to find the best solution for our clients needs. We work every day towards the satisfaction of all our partners, delivering added value to each business using our products, services and know-how.

Our mission is to keep this framework of partnerships and leverage each product, brand and business to a new level of performance, in a always win-win process.

Acitex Pet is dedicated to the pet industry. With more than 20 years in the pet food business, we provide reliable answers to the needs of our worldwide clients.
