

The background features a collection of almonds and chocolate pieces scattered around the central text. The almonds are light brown and smooth, while the chocolate pieces are dark brown and have various shapes, including a large square, a smaller square, and a large irregular chunk.

SOLUTIONS FOR THE FUTURE OF YOUR BUSINESS

ONE PROBAT

Dear Valued Partner,

Since 1868, PROBAT has been your trusted global partner in all things coffee. Building on this legacy, we are shaping the future of cocoa, chocolate, nuts, popcorn, and new food innovations.

At PROBAT, our mission goes far beyond providing machines – we're here to empower your success every step of the way. Understanding your unique challenges and ambitions shapes everything we do. That's why we create solutions rooted in precision, innovation, and reliability.

We blend a customer-focused approach, advanced technologies, and a steadfast commitment to quality and process excellence to create lasting value for the future of your business.

We're excited to continue this journey with you – turning today's challenges into tomorrow's opportunities.

Yours sincerely,

Wim Abbing

MAKING THE DIFFERENCE

Customer Centricity

As your passionate go-to partner, we enable exceptional performance and results.

Inspiring Innovation

As a pioneering trailblazer, we elevate your long-term competitive advantage.

Reliable Quality

With proven reliability, we secure the best possible lifecycle costs.

Process Excellence

Driven by performance, we create effortless and reliable operations.

CUSTOMER CENTRICITY

As your go-to partner, PROBAT empowers you to achieve exceptional results – consistently and confidently.

We deeply understand your products and processes, offering real-world testing and bespoke, precision-engineered solutions.

Every system is built to the highest standards, ensuring performance that exceeds expectations – today and into the future.

INSPIRING INNOVATIONS

PROBAT's pioneering solutions give you a lasting competitive edge.

As a trailblazer, we deliver future-proof technologies that adapt to your evolving needs, no matter how complex, while staying ahead of industry trends.

With our expert guidance, thorough understanding of your goals, and ongoing support, we transform challenges into inspiring innovations.

RELIABLE QUALITY

With PROBAT, you can expect a steadfast guarantee of long-term performance and exceptional results.

Our solutions are tailored to your needs and backed by transparent costs and minimized operational expenses.

Built on durable components, high energy efficiency, and technologies utilizing renewable energy, PROBAT delivers sustainable, cost-effective solutions that ensure optimal lifecycle costs and long-lasting customer satisfaction, driven by over 155 years of industry expertise.

PROCESS EXCELLENCE

As a performance-driven expert, PROBAT ensures smooth, reliable operations that bring lasting peace of mind.

Our low-maintenance end-to-end solutions feature intuitive control, ERP integration, and intelligent automation for uninterrupted processes.

We streamline even the most complex industrial operations with global support and full-system, turnkey solutions managed through a single point of contact.

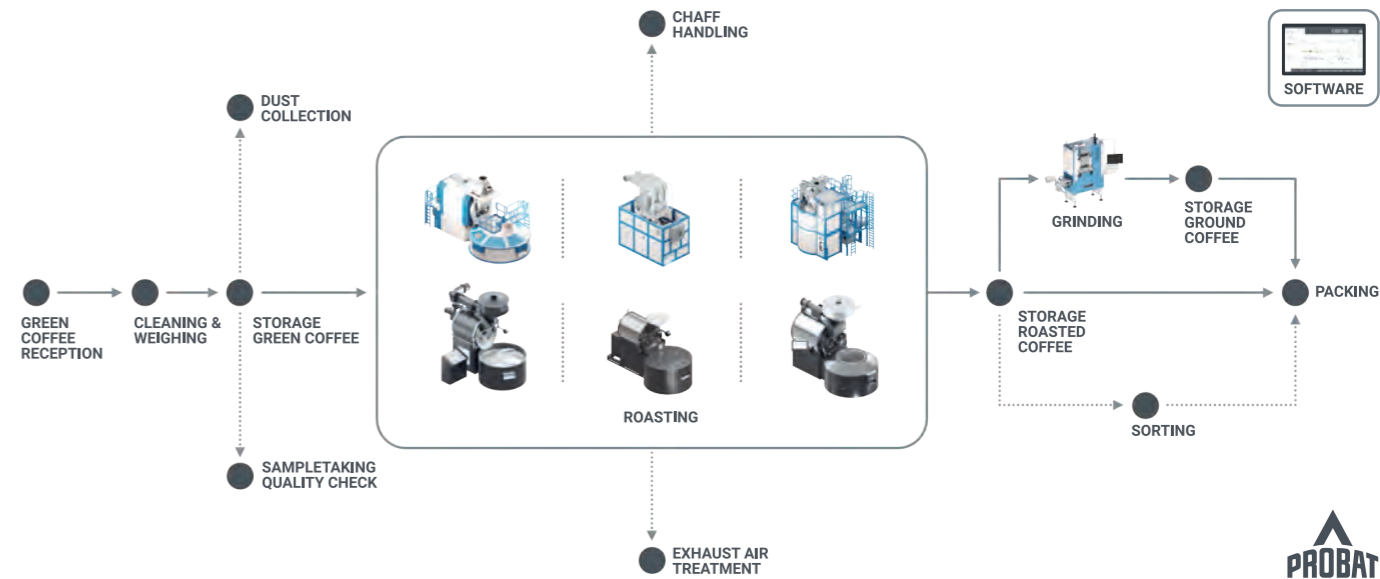

OUR EXPERTISE

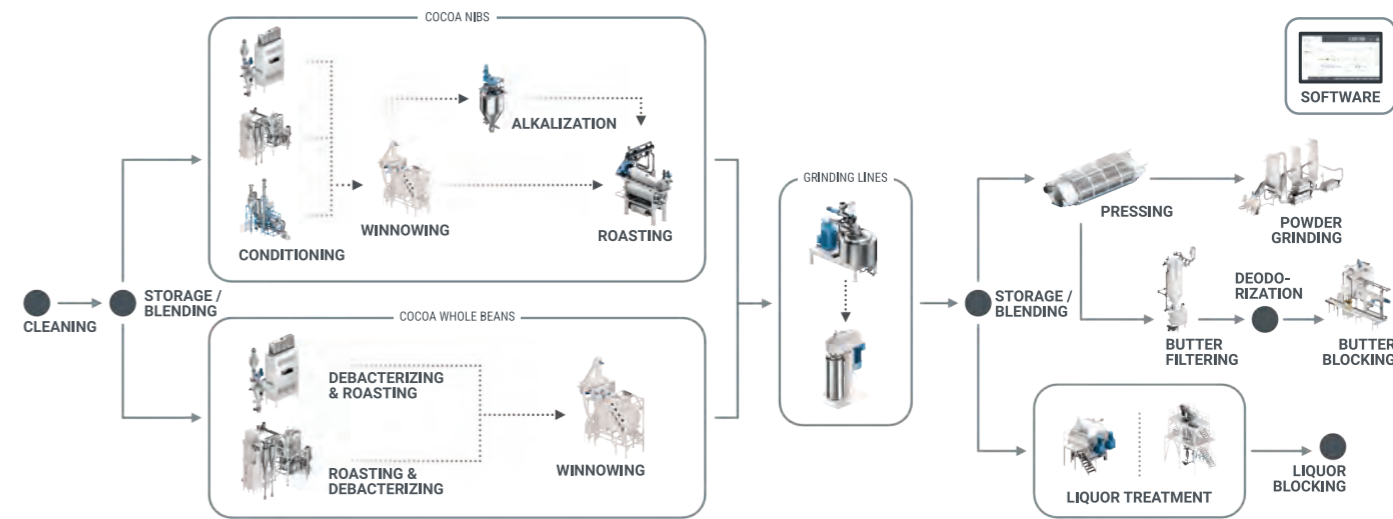

COFFEE

From green coffee intake to roasted or ground coffee storage, we provide fully customized coffee processing solutions that optimize every stage – from energy efficiency and safety to emissions and factory layout.

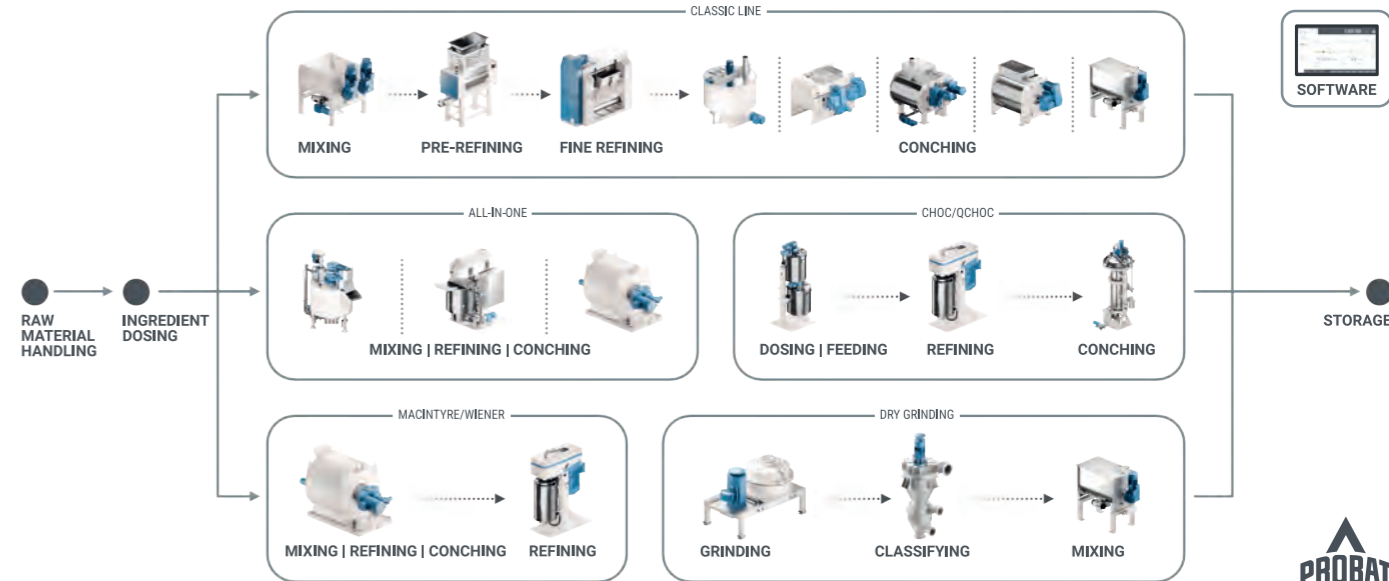

COCOA

Whether working with nibs or whole beans, natural or alkalized cocoa, our high-performance, efficient systems handle liquor, powder, or butter – tailored to any flavor profile.

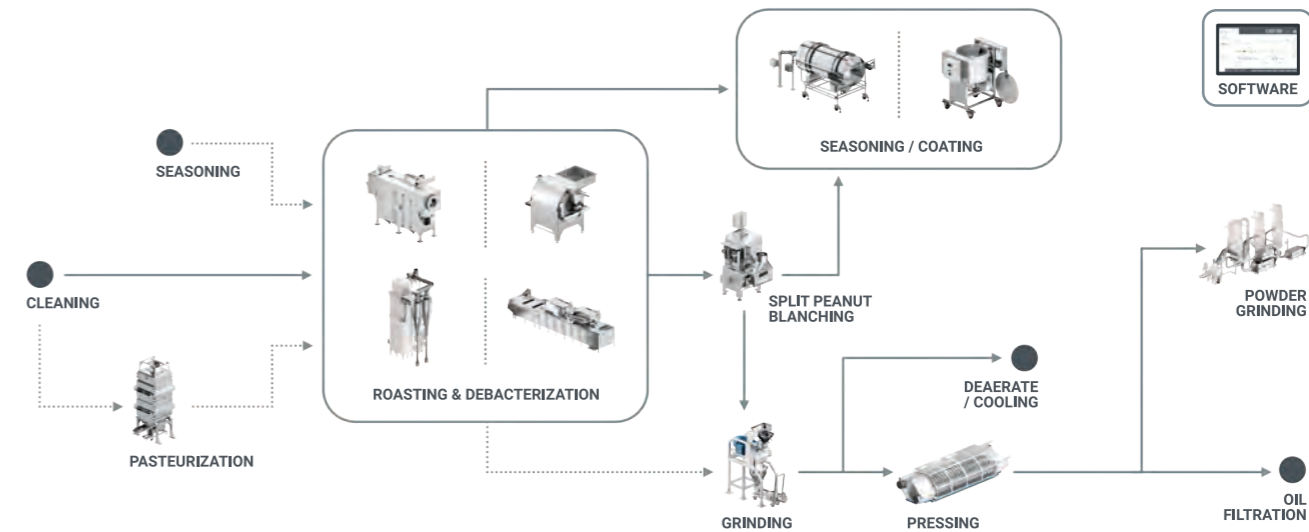

CHOCOLATE

From mixing to conching, our cutting-edge chocolate technologies ensure seamless process control and consistently exceptional textures and flavors.

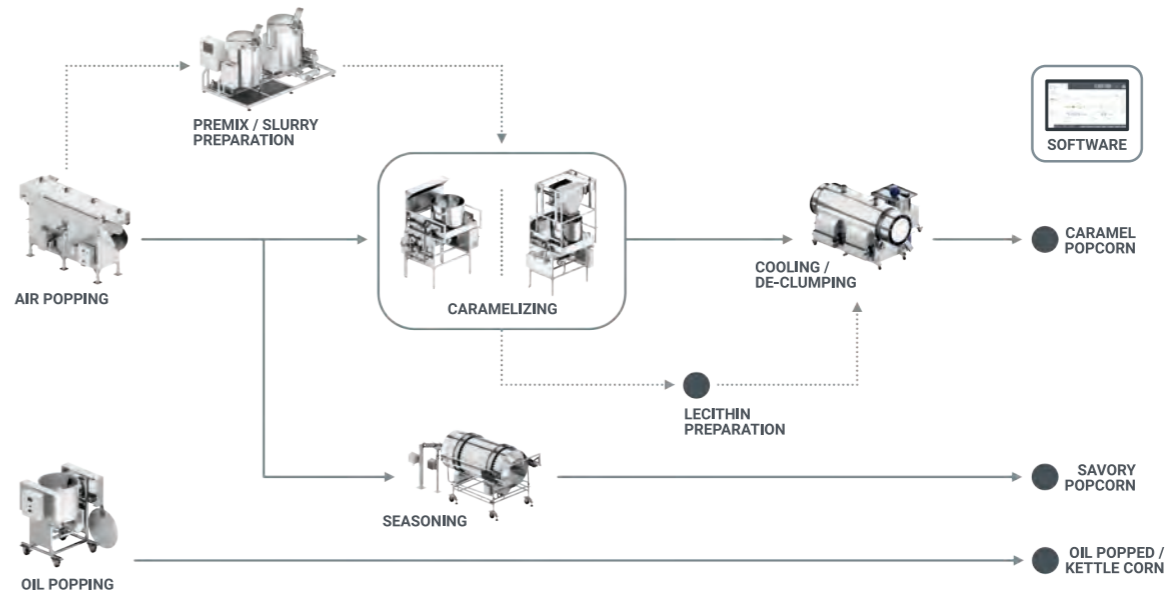

NUTS

Our expertly engineered roasters, nut butter mills, and auxiliary equipment deliver consistent, high-quality results for every nut and seed, tailored to your exact specifications.

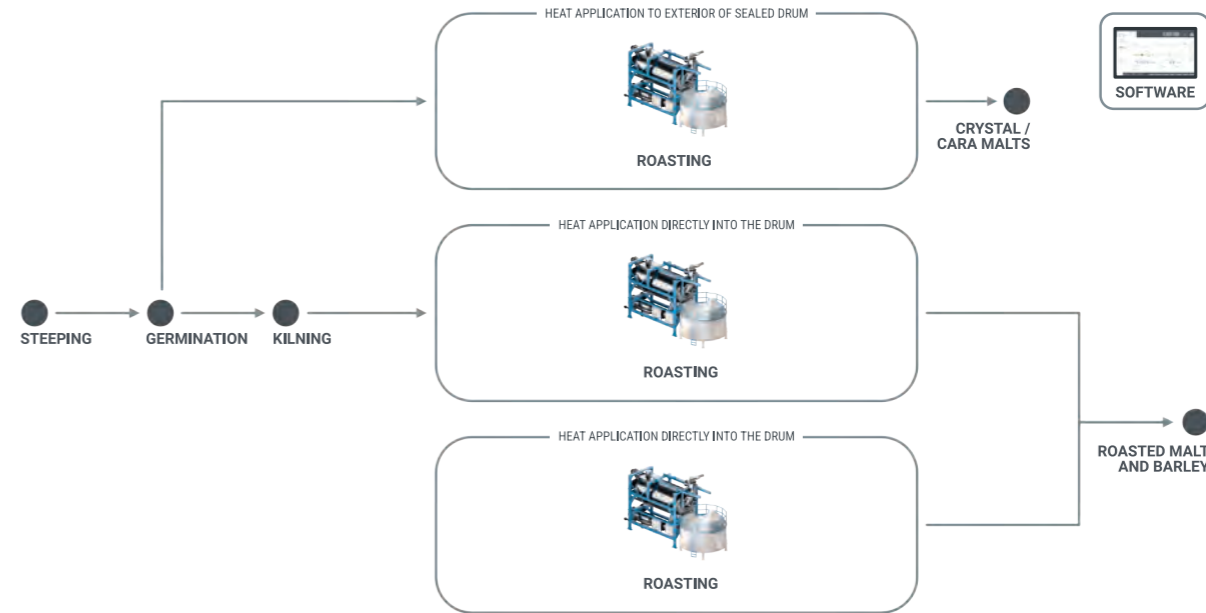

POPCORN

Our high-capacity, continuous popcorn systems craft classic popcorn, caramel corn, kettle corn, and peanut brittle with unmatched consistency, reliability, and performance.

MALT

Our malt roasters bring precision, consistency, and flexibility to every batch, transforming malt into specialty ingredients with flavors ranging from sweet crystal to deeply roasted chocolate and coffee notes.

OTHER FIELDS OF EXPERTISE

Our dry grinding systems combine efficiency, reliability, and precision to reduce materials to exact specifications – without liquids or solvents – offering customized solutions for the most demanding processing needs across food, pharmaceutical, cosmetic, and construction industries.

GAP MILL

UNIVERSAL MILL

UNIVERSAL COMPACT MILL

ROLLER MILL

AIR CLASSIFIER

GET IN TOUCH

At PROBAT, we provide comprehensive support for coffee and food processing machinery throughout its entire lifecycle.

As the first point of contact for all service needs, we offer technical support, spare part management, maintenance, troubleshooting, and complete turnkey installations.
