CONTACT US

Hello and welcome to presentation about us, BPS Knives!

We're thrilled to have you find out about us more. At BPS Knives, we are dedicated to offering high-quality, long-lasting knives tailored for various needs, whether it's outdoor adventures or everyday use. Every blade we made is built with precision and care to meet the highest standards of craftsmanship.

Thank you for choosing BPS Knives. We look forward to cooperation with you.

Best regards,
The BPS Knives Team

FROM GARAGE PRODUCTION... 2017

It all started with the desire to create a cool tool for personal needs.

When you make something for yourself, first and foremost, you want to create a **QUALITY** tool.

- ✓ Product Line - 6 models.
- ✓ Manufactured - 45 knives.
- ✓ First trials of heat treatment, testing.
- ✓ Development of proprietary manufacturing technology

TO A FULL-FLEDGED ENTERPRISE 2020

- ✓ First sales on the international market.
- ✓ In-house production of leather goods.
- ✓ Successful cases in working with dealers.
- ✓ Product line of 20+ items..
