

Nourishing Meal Pouch *Series*

A meal made with care,
slowly supports the body, day by day.

- Slow-Cooked Broth
- Real Ingredients
- Daily Nourishment

LITPET[®]

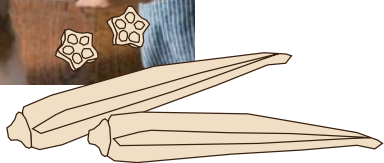

We believe
food is not meant to create instant change,
but to gently accompany everyday life.
When a meal is prepared with care,
the body responds—
slowly, naturally.
Rather than stimulation or intensity,

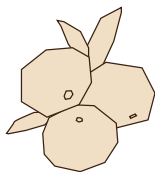

[*true nourishment lies in gentleness, balance,
and the ability to be sustained over time.*]

Food therapy is not reserved for special moments,
but woven into daily life.
It is not medicine,
nor a quick fix,

but a thoughtful approach using real ingredients
and careful preparation to support balance over time.

*Preparing a meal for your pet
doesn't need to be complicated
but it deserves care.*

Salmon x Duck Breast x Goji Berry x Angelica	
UK Joint Comfort (UK Limited)	10
UK Grass-Fed Lamb x Chicken Breast x Turmeric x Okra	

LitPet *Digestive Comfort* Nourishing Meal Pouch

This is a meal made for daily digestive care.
Gentle and easy on the stomach,

like a simple dish that helps the gut settle and
return to balance.

During picky phases, food transitions,
or times of digestive sensitivity,
rather than forcing quick change,

It is often more important to make feeding gentle,
regular, and easy to digest.

Digestive Comfort Nourishing Meal Pouch

Main ingredients:

Chicken breast, pumpkin, broccoli, yam

Herbal & nutritional support:

Scutellaria baicalensis, Psyllium husk powder, licorice Taurine, prebiotics (FOS/MOS)

Targeted Benefit:

A gently nourishing meal pouch created to support digestive comfort, gut balance and everyday vitality.

- Supports digestive comfort for sensitive stomachs
- Helps maintain a balanced gut environment

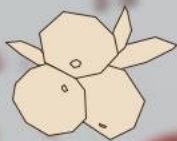

Preparation:

Slow-cooked chicken broth is gently simmered to draw out its natural aroma. CHICKEN BREAST, PUMPKIN, BROCCOLI, AND CHINESE YAM are prepared separately,

then delicately blended together, allowing the ingredients' natural flavours and soft textures to unfold in layers.

Each bite is moist and tender, like a warm, carefully prepared dish made to comfort the digestive system.

LitPet *Hydration & Urinary* Nourishing Meal Pouch

Some pets aren't unwilling to drink—
They simply hydrate through food.

This meal allows hydration
to happen naturally at mealtime.

Hydration & Urinary Nourishing Meal Pouch

Main ingredients:

Duck breast, beef, carrots, okra, goji berries

Herbal & nutritional support:

·Ganoderma lucidum, cranberry, Schisandra chinensis
·Taurine, DL-methionine, fructooligosaccharides

Targeted Benefit:

A moisture-rich nourishing pouch made to support hydration and everyday urinary balance.

- Supports healthy hydration for cats who drink too little
- Helps maintain urinary comfort and routine balance

Preparation:

Slow-simmered with a generous broth base to develop a rich, inviting aroma, duck breast and beef bring a gentle savoury depth,

balanced by the natural sweetness of carrot, okra, and goji berry, creating a pouch that tastes light, smooth, and never too heavy.

Each bite carries a delicate broth texture and mellow meaty aroma, helping support daily hydration while still offering the kind of flavour that naturally draws pets in.

LitPet

Skin & Coat Glow

Nourishing Meal Pouch

The condition of the coat
is often the most honest reflection of nutrition.

This meal is designed for long-term
nourishment.

Main ingredients:

Salmon, duck breast, carrots, wakame seaweed

Herbal & nutritional support:

Angelica sinensis, wolfberry
Lecithin, taurine, fructooligosaccharides

Targeted Benefit:

A nourishing meal pouch created to support healthy skin, coat condition and everyday radiance.

- Supports skin nourishment through daily feeding
- Helps maintain a soft, glossy coat

Preparation:

Carefully balanced in fat content, allowing the natural richness of salmon and the savoury depth of duck breast to come together beautifully.

Layered with the gentle sweetness of carrot, wakame, and goji berry, It delivers a texture that feels rich yet light, smooth yet never greasy.

Each bite carries a soft natural aroma and delicate savoury flavour, like a warm, nourishing dish thoughtfully prepared for skin and coat care.

LitPet

Joint Comfort

Nourishing Meal Pouch

UK Limited

In damp, cool climates,

mobility comfort
is something to be cared for over time.

Joint Comfort Nourishing Meal Pouch

Main ingredients:

UK Grass-Fed Lamb, chicken breast, carrots, okra

Herbal & nutritional support:

Goji berries, turmeric

Chondroitin sulfate, taurine,
fructooligosaccharides

Targeted Benefit:

A functional nourishing pouch formulated to support mobility, joint comfort and everyday movement.

- Supports comfortable movement and daily mobility
- Helps maintain joint health through daily nourishment

Preparation:

Made with British grass-fed lamb as the hero ingredient, its naturally rich flavour is balanced by the tenderness of chicken breast, then layered with the subtle sweetness and smooth texture of carrot and okra.

The result is a pouch with deep, warming flavour and a silky, satisfying finish. Rich in character yet easy to enjoy, every bite feels like a carefully prepared dish with both comfort and substance.

Slow Craft, Deep Impact.
We are willing to wait for herbs to
grow rich with nourishment.
And we believe true health is
something cultivated slowly, over time.
