RECYCLING EXPERT

Sustainable, High Quality Garbage Bags

Eco-friendly
solutions
made from
100 % recycled
polythene

What we produce?

We produce high-quality garbage bags made from 100% recycled LDPE, available as flat or on rolls. Designed for strength and durability, our eco-friendly bags are perfect for reducing environmental impact without compromising performance.

Our facility is equipped with an in-house laboratory, ensuring every product meets rigorous quality standards. With a commitment to excellence and bespoke manufacturing capabilities, we are here to meet your needs with eco-friendly solutions.

Choose sustainability today!
