

## Advantages of muzzle

made with original Biothan® material

- perfect fit + ultra-lightweight with only Ø 110g = maximum wearing comfort!
- Huge selection for many dog breeds and mixed breeds
- Allows dogs to pant and drink in compliance with animal welfare regulations
- better visibility due to signal colours, increases safety at dusk, e.g. in autumn/winter, as well as in fog and generally at night
- stainless rivets and fasteners - 100 % nickel-free -> ! No nickel contact allergy!
- easy to clean - hygienic - no bacteria - no unpleasant odours - no mould growth
- can prevent unwanted food intake such as poison bait
- 100% handmade in Europe

- **ANIMAL WELFARE – CERTIFIED**

The animal welfare label is the only official label for tested & approved products, for tested & approved products and comply with the strict Austrian Animal Welfare Act guidelines.
