WISECAT

FROM THE FARM TO → YOUR HOME

Pioneers in Pure Cassava Clumping Cat Litter

From our own cassava fields and industry in Brazil to your cat's daily care, with global presence.

Sustainable and biodegradable, it is a natural solution crafted for superior performance.

Made exclusively from 100% cassava, with no blends or additives. Flushable innovation that is revolutionizing the way people care for their cats.

Vets' Choice: its light colour allows easy urine change detection.

- Exceptional **absorption** capacity: 100 grams absorbs 200 up to 350 ml.
- Firm, instant **clumping** performance.
- Free from chemical additives, safe for pets and children.
- Soft texture for enhanced paw comfort.
- **Economical solution:** you remove only the clumps.
- Driving a cleaner and more **sustainable** future.
- Guaranteed satisfaction.

The Super Premium Cat Litter of Your Dreams.
