

## ABOUT US.

Techlink is one of the leading manufacturers of pet products in China and Vietnam, with over 20 years of experience focusing on developing high-quality pet collars & leashes, pet toys, cat scratcher and tie-out cables. Our factories are located in China and Vietnam, employing more than 1300 workers. The establishment of an overseas supplier chain center has helped us shorten order lead times and improve cost control. With our business strategy fulfilled, we established our design team in 2019, comprising more than 20 designers who offer both creative and outstanding designs for our customers. Techlink is the trusted pet products supplier you can rely on!
