Good treats should do good

For your dog – and the world we share.

GLOBE BUDDY®

Luxx

Functional ingredients in every chew

Luxx combines insect protein, grain-free recipes and functional ingredients in premium semi-moist treats. Highly digestible and packed in resealable pouches, the range brings innovation, functionality and sustainability to modern dog treats.

Luxx Rewards

Soft training treats with insect protein, sea buckthorn and functional ingredients including collagen and microalgae. Easy to break, highly palatable and ideal for rewarding dogs of all breeds.

Luxx Dental Sticks

Functional dental chews with insect protein, mint and SHMP, designed to support oral care and fresh breath. Star-shaped sticks help reduce plaque while turning daily dental care into reward.

Luxx Energy

Functional semi-moist treats with insect protein and cranberries, crafted to support vitality, hydration and recovery. A rewarding chew for active dogs, training, outdoor adventures and dog sports.

Luxx Easy

Calming functional treats with insect protein, botanicals and blueberries, crafted to support balance and relaxation. Ideal for training, travel, new environments or moments when calmness and focus matter most.
