

## An important milestone for our company!

### EcoVadis BRONZE Medal 2025

EcoVadis, one of the world's leading sustainability rating platforms, has awarded us the Bronze Medal. This recognition places us among the **top 35% of companies worldwide** that can demonstrate consistent and responsible sustainability management in the areas of:

- Environmental and climate responsibility
- Labor and human rights
- Ethics
- Sustainable sourcing and transparency

This award confirms the path we have taken and motivates us to achieve further improvements.

**Together, we take responsibility – with clear goals and continuous dedication.**
