Leather collection consists of products made of very durable cowhide. Natural full grain leather is comfortable and healthy, it breathes and can adapt to the shape of the body, moreover it is friendly in touch to both animals and owners. In addition, thanks to the modern technology and strong stitching, our leashes, harness and collars last long. Our durable leather products are characterized by high resistance to changing weather conditions. Precise finish and chrome fittings give the leather collection products charm, elegance and great look.
