

We're Velvet . Where no packaging challenge is too far.

WE ARE A GLOBAL DISTRIBUTOR OF FLEXIBLE PACKAGING AND PACKAGING MACHINERY SOLUTIONS

We partner with premium manufacturers to create **tailored solutions** that meet every customer's needs with sustainability at our core.

With a fresh and independent mindset, we bring original thinking and creative solutions to a well-established industry, challenging conventions to find smarter solutions for our clients.

Strategically positioned with headquarters in both **Italy** and the **United States**, we bring over 25 years of technical packaging expertise right to your doorstep.

THE VELVET TEAM LIVES BY OUR PROMISE TO GO THE EXTRA MILE, ALWAYS.

We're problem solvers and active listeners who combine deep **technical expertise** with **innovative thinking**.

We handle all the details so you don't have to, delivering solutions that propel your business forward.

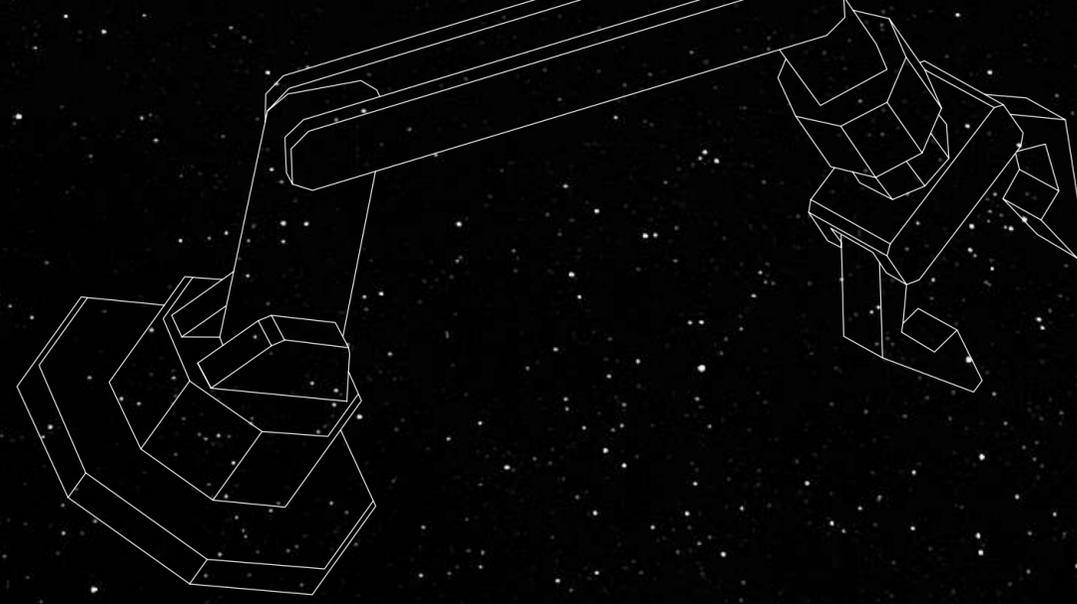

SUSTAINABLE ECO-FRIENDLY PACKAGING

We create packaging solutions that balance performance and sustainability, helping protect the planet with every choice.

OF PACKAGING EXCELLENCE
AND INNOVATION

Packaging Made Simple, Every Step of the Way

The Right Material for the Right Outcome

We help you choose the best materials for your needs, from standard rollstocks to innovative formats like premade bags and high-performance films.

Best Value for Money Solutions

Thanks to our trusted converters network, we match you with the ideal producer, combining quality, innovation, and competitive pricing.

Technology & Equipment Consulting

We connect you with top manufacturers, tailored for industries such as food, pet food, cosmetics, and pharma.

End-to-End Project Management

From graphic layout to final delivery, we oversee every stage of the process with premium partners and consistent quality standards.

Remote Stock & Logistics Management

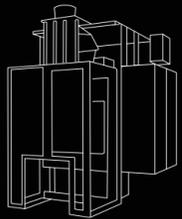

Our warehousing solutions cover goods handling, labeling, storage, and shipping—ensuring smooth operations through reliable logistics partners.

Expert US-Based Technicians

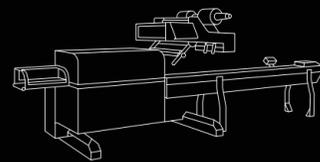

Our team of skilled US-based technicians ensures fast, reliable support and in-depth technical know-how, whenever and wherever you need it.
