

SUPREME FOOD FOR CATS

2024

With over 15 years of expertise in crafting nutritious pet food, we are thrilled to introduce our latest line of wet cat food. Our pouches are filled with carefully selected meats and premium toppings, enriched with essential vitamins and minerals that cats require for optimal health. More to this, our gourmet cat food smells and tastes so delicious that even the pickiest eaters won't be able to resist it.

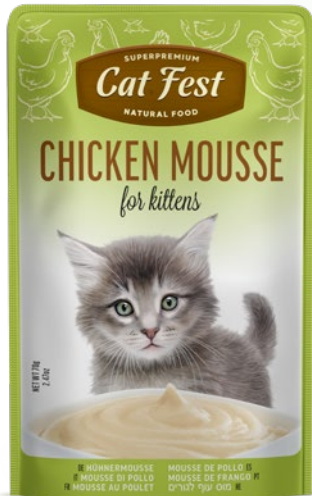

OUR EXCLUSIVE RANGE MADE FOR

# KITTENS

- PROMOTES BRAIN AND MUSCLE DEVELOPMENT
- PACKED WITH VITAMINS FOR HEALTH GROWTH
- RICH IN AMINO ACIDS AND MINERALS

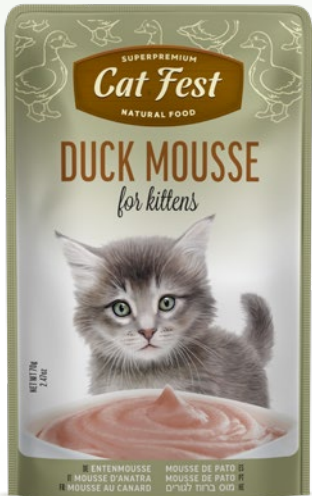

Our kitten food boasts a tender and irresistible offering, infused with essential vitamins, minerals and amino acids to promote healthy growth and proper body and brain development. With a variety of flavors on offer, your young companion is sure to enjoy this wholesome option.

with over 54% of real duck

OUR EXCLUSIVE RANGE MADE FROM

# DUCK

- A LOW ALLERGEN MEAT FOR GREAT HEALTH
- AN EXCELLENT SOURCE OF IRON AND PROTEIN
- NATURALLY RICH IN ESSENTIAL VITAMINS

The tender meat of duck is considered to be a “novel” protein for cats. Cats have generally not developed intolerances or allergies to it, making it an excellent protein choice for cats who suffer from sensitive stomachs, as well as common allergies and intolerances.

OUR EXCLUSIVE RANGE MADE FROM

# TUNA

- SUPPORTS HEART AND CARDIOVASCULAR HEALTH
- GREAT PROTEINS FOR WEIGHT MANAGEMENT
- NATURALLY BOOSTS THE CAT’S IMMUNE SYSTEM

Being rich in omega-3 essential fatty acids, tuna promotes good skin and coat health in cats and has anti-inflammatory properties. It is low in carbohydrates, making it great for weight management and reducing health risks associated with overweight. Its tempting aroma and flavor makes it irresistible to cats.

with over 54% of real tuna

with over **54%** of real salmon

# OUR EXCLUSIVE RANGE MADE FROM SALMON

- REDUCES CHOLESTEROL AND BLOOD PRESSURE LEVELS
- ENHANCES BRAIN FUNCTION AND DEVELOPMENT
- EXTREMELY TENDER WITH IRRESISTIBLE FLAVOR

This noble fish is rich in Omega-3 fatty acids, which are crucial for promoting heart health and enhancing brain function in cats, while also helping to maintain a shiny and healthy coat. In addition to Omega-3 fatty acids, salmon is an excellent source of high-quality protein.

# OUR EXCLUSIVE RANGE MADE FROM CHICKEN

- HELPS TO BUILD MUSCLES AND STRENGTHEN BONES
- SUPPORTS STRONG HEART HEALTH AND GOOD VISION
- OMEGA-6 FATTY ACIDS BENEFIT CAT'S SKIN AND COAT

The protein from chicken contains multiple levels of essential amino acids, such as Lysine, Phenylalanine, Arginine, and Taurine. Great taste of this tender breast meat along with natural health benefits make it a great everyday meal for cats. For stronger flavor choose from the variety of toppings.
