Dear Mr. Heinrich,

Gnutti Carlo Group is pleased to inform you that Schaufler Tooling, Laichingen, Germany, has been awarded the Gnutti Carlo Supplier Recognition for 2022.

Schaufler has demonstrated a very agile approach and a full commitment in different projects for Ljunghäll, a few examples are the DT12 die and the BMW End cover die two cavity.

The development has been followed with care in every single aspect, both technical and economic. The good geographical position is strategic for us, being present in Europe, Canada and China, thus receiving very close support.

Again, congratulations and thank you for your support for all these years and more to come.
