WASH**

PRODUCT DESCRIPTION

2 / 5

Mild and effective skin cleansing
for all areas of use

DESCOLIND PURE WASH is a pH skin-neutral wash lotion for the frequent cleansing of sensitive hands and skin. The formulation with refatting agents and glycerin reduces drying of the skin during washing.

The creamy, delicate **DESCOLIND PURE WASH** wash lotion cleans thoroughly and is economical in use. In addition, **DESCOLIND PURE WASH** is free of fragrance and colorants and is therefore suitable for use on intact and sensitive skin.
