PRIANTO

Prianto GmbH

About Prianto

Prianto GmbH was founded in 2009 in Germany by William Geens and Oliver Roth as a starting point. Prianto is positioned in the distribution market as a pure play software distributor. Over the last years Prianto has grown into a group of companies covering the IT markets in Europe and North America. Today Prianto is a leading software distributor with a focused vendor portfolio.

It is our mission to be a trusted partner for resellers, system integrators and Managed Service Providers and to market innovative software solutions that make digital infrastructures and corporate workplaces more efficient.

We rely on absolute channel loyalty and sell only to IT resellers Our goal is to establish long-term, trustworthy and successful business relationships with reseller partners and international vendors. For this, we offer a high-margin and innovative software solutions, guaranteeing fast and well-founded software licensing services, as well as dedicated "Go-To-Market" strategies.
