happyOne[®]
MANUFACTURED IN PORTUGAL

happyOne is manufactured by petMaxi, a Portuguese factory that is part of a group with over 40 years of experience in producing pet food.

"Our goal is to improve the quality of life and longevity of dogs and cats through nutrition. The well-being of pets is our greatest inspiration. We know that a happy pet makes a happy owner, which is why every day we produce nutritious and balanced food."

With a covered area of 18,300 m² and equipped with state-of-the-art machinery, petMaxi produces food for dogs and cats, renowned for its exceptional quality.

Using premium ingredients and leveraging the expertise of a team of veterinarians and nutritionists, petMaxi ensures high-quality standards at every stage of the process. Every phase of production, from the arrival of ingredients to the dispatch of the final product, is rigorously monitored to guarantee food safety.

petMaxi's dedication goes beyond merely feeding pets; it's about promoting the health, well-being, and longevity of our four-legged friends.
