“MUHLENGIA” has been launched by Haute couture designer who was working in couture house in London. Muhlengia which is a new second brand for pet has introduced luxury life style products for our very special and beloved dogs and its owners since 2022.

Haute couture fashion is a mainly motivation of brand to product new pet products in different ways. Based on working couture fashion, textile especially embroidery technique is the most important factor for development of new products. So, we have put enormous efforts on producing elegant designs, choosing exclusive fabrics and materials to create exquisite designs.

As a designer brand, we have been growing into a high quality of pet brand. Furthermore, we produce its own products including plans, designs and production which is necessities of their life.

Our goal is improving dogs and dog owner's life worldwide.

We believe that they deserve to have a better life as we do.

Regarding of our vision, Muhlengia is working hard with the belief that we should repay with the highest quality products.

The background of the image is a close-up of a pink, shaggy fur surface. The fur has a dense, wavy texture with varying shades of pink and magenta. The lighting is soft, creating subtle highlights and shadows across the fur's surface. In the center, the text '03.' is written in a white, sans-serif font. Below it, the letters 'A C C' are written in a larger, bold, white, sans-serif font, with significant spacing between the characters.

The background of the entire image is a close-up, high-texture shot of pink fur. The fur is dense and has a slightly wavy, shaggy appearance. There are some lighter, almost white, highlights or streaks running diagonally across the fur, possibly due to lighting or the natural texture of the animal's coat. The overall color is a soft, dusty rose or light pink.
