GIGA Machine Mockup

Maintenance Position for GIGA machine

The background image shows a complex industrial machine, likely a coordinate measuring machine (CMM), with several computer monitors. The monitors display technical data, including 3D models of parts with measurement points and tables of numerical data. The machine is constructed from metal frames and various mechanical components. A semi-transparent blue banner is overlaid across the middle of the image, containing the text 'THANK YOU FOR YOUR ATTENTION'.

THANK YOU FOR YOUR ATTENTION
