

CARDBOARD

Cardboard presentation trays

A sure-fire hit!

Cardboard presentation trays are ideal for showcasing your quiches, cold meats or dried fruits at your events.

Grease and water resistant thanks to their PET film, our trays also guarantee consumer safety.

But that's not all! They can also be personalized with your logo, adding a distinctive touch compared to your competitors.

Height	Width
10 to 29 mm	50 to 185 mm

Environmental impact

The carbon footprint is the amount of greenhouse gases emitted during the manufacturing of the packaging, from the extraction of raw materials to its end of life. The carbon footprint of our cardboard packaging is **2.27g CO2 equivalent/g of processed material**.

Our cardboard packaging is recyclable. As part of our sustainable management approach, we are **FSC®** certified, and our printing facilities are **Imprim' Vert** certified. Depending on your needs, we incorporate recycled cardboard into our packaging.
