PROFESSIONAL FABRICS **MILITARY/POLICE/INDUSTRY**
SOLUTION 

About us

Spectra SOL d.o.o. is a specialized manufacturer and supplier of high-performance technical materials designed for military, police, and industrial uniforms.

Our mission is to provide reliable, durable, and innovative textile solutions that meet the toughest operational demands.

- Production of high-tech fabrics and composites
- Customization to meet specific performance and environmental requirements
- Distribution across military, law enforcement, and industrial sectors

COMBAT | TACTICAL | INDUSTRIAL

Materials

MULTILAYER MATERIALS

- Polyamide - Cotton
- Polyester - Cotton
- Polyamide
Polyester
Viscose
Aramyde
Modacryl
Polyamide - EA
Polyester - EA

- Breathable, waterproof laminates
- Camouflage and infrared-resistant textiles
- Flame-retardant fabrics
- Cut- and stab-resistant materials
- Antibacterial and chemical-resistant coatings

Industries we serve

- Armed Forces
- Police & Security
- Firefighting Units
- Heavy Industry & Construction
- Emergency Services

Water repellent	Oil repellent	Windproof	Breathable ReT	Antistatic	Thermal vision resistant
Antibacterial Antiviral	Waterproof	Flame retardant	Dirt resistant	Noiseproof	Electric arc resistant
Lightweight & soft touch	No shining	Thermal insulation	Double yarn	Wrinkle resistant	Recyclable
Stab resistant	Cut resistant	Fire resistant	IRR	Heat and UV resistant	Chemical resistant

SPECTRA PROFESSIONAL FABRICS **MILITARY / POLICE / INDUSTRY** SOLUTION

As a manufacturer of high-performance fabrics, Spectra Sol offers customization options to meet specific industry needs. We welcome inquiries for tailored materials, technical requirements, and collaborative development.

We are committed to innovation, safety and sustainability.

Spectra SOL continuously invests in research and development to ensure our materials meet evolving operational challenges.

With a focus on durability, functionality and innovation, our materials are engineered to meet the demands on extreme environments while offering superior comfort and protection.
