

YOUR MAGNETIC SUPPLIER FOR RELIABLE SOLUTIONS AND GROWTH

SUPERWORLD AT A GLANCE

FOUNDED: 1993

Headquartered in Singapore

GLOBAL PRESENCE

Offices and manufacturing in China, Taiwan, Thailand, and Malaysia

REVENUE PERFORMANCE

USD 205 Million achieved in 2024

CORE BUSINESS

Design and manufacture of magnetic components

WHAT DRIVES US

VISION

Quality. Well-Being. Better Life

MISSION

With Passion, Pride and Speed, we create innovative magnetic solutions aimed at improving the competitiveness of our customers, world's well-being and quality of life.

CORE VALUES

Integrity, Excellence, Collaboration, and Innovation

OUR JOURNEY: KEY MILESTONES

1993 - 1999

2000 - 2006

2007 - 2010

 Established Ferrite Core Factory in Taiwan.

Set up Singapore headquarters & Taiwan R&D office.

Established Transformer & inductor factories in South China.

- Established Superworld Holdings.
 Opened Kunshan factory in North China.
- Established inductor factory in Jiangsu.

2011 - 2014

2015 - 2017

2018 - 2020

2021 - 2024

- Achieved Singapore Enterprise 5 Tyears Award
 Achieved Small-Medium Enterprise Distinguished Award
- Relocated Jiangsu facility
 Expanded Singapore R&D & engineering team.
 Dongguan factory achieved IATF 16949 cert.
- Increased SMD inductor capacity.
 Invested in automation and robotics.
- Ranked #4 in Singapore Enterprise 50 award.
 Expanded wireless charging coil capacity.
 Opened R&D office in Xin Zhuang, Taiwan.
 New facilities in Malaysia and Thailand.
- ISO 50001 (EnMS) cert.
 Facility investment in Chong Qing
 Implementation of the MES system for the Dongguan factory
