

Company tradition in the **fourth generation**

Family business for over 150 years

Ermeling & Söhne has been a family business for over 150 years. Insulating doors have been at the heart of our product range for over 80 years.

We listen to our customers and accept their problems as a challenge. With around 30 employees at our **production site in Cologne**, we manufacture high-quality doors from custom-made products to series production. Our customers benefit from our great flexibility and our high quality standards.

Ermeling & Söhne stands for

- ✓ Customized production
- ✓ High-quality materials
- ✓ Very high quality
- ✓ Customized work
- ✓ On-site consultation
- ✓ Environmental protection

Make an **appointment** for a consultation!

Contact us today to find out more about our diverse range of handcrafted quality products. Together, we'll find the perfect cold room door for your business needs and lay the foundation for a long-term partnership based on value-driven solutions.

*We look forward to
supporting you!*

Ermeling & Söhne
The insulation door specialist

Some like it **ice cold!** We do too.

We manufacture refrigeration and freezer doors and insulating windows according to your wishes!

Quality made **to measure**

An **insulated door** must fit like a tailor-made suit! Because only a precisely tailored and perfectly manufactured door can meet the high requirements of special rooms and guarantee security.

- ✓ For use in cold storage, freezer and shock rooms, utility and computer rooms, air-conditioned rooms and medical areas
- ✓ As hinged doors
- ✓ As sliding doors
- ✓ As swing doors
- ✓ Manually operated or automated

A selection from our product range

Hinged refrigerator door

Freezer room sliding door

Hygiene room revolving door

Insulating window

... and much more!

Always **keeping an eye** on freshness

With **our insulating windows** for special use in refrigerated refrigeration and storage rooms (plus range), you always have your fresh products in view.

- ✓ Clear view
- ✓ Optimum insulation
- ✓ Highest efficiency and energy saving

Rely on quality and reliability - with our insulating windows for cold storage rooms, you are ideally equipped for any challenge. Contact us and let our experts advise you individually!

The ideal **solution** for you

We manufacture **individual insulation solutions** for use in industrial production.

Contact us, we will be happy to advise you on site and discuss together which solution is ideal for you.

- ✓ Special construction of insulated doors for refrigerated / deep-freeze containers
- ✓ Special construction of cold storage cells
- ✓ Special cold store ceilings
- ✓ Special construction edge profiles

We can also easily extend, repair and convert third-party products. From consultation to installation and repair on site, we offer all services from a single source.

As a traditional family business from Cologne, we are proud of the exceptional quality, durability and attractive design of our insulated doors for cold rooms.

Every step in the value chain - from development and production to delivery and installation - takes place at our headquarters in Cologne. Our products are the best example of "Made in Germany" and stand for responsible action and sustainable management.
