

Muffin & Cupcake solutions

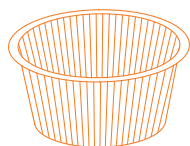

ecopack 
engineered to contain

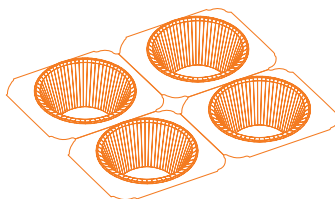

Ecopack paper molds: engineered to contain muffins & cupcakes!

For all kinds of preparation, both sweet and savoury, Ecopack has the proper mould. Ecopack's **paper moulds** for muffin, tulip and lotus are the perfect solution to cook and display your **muffins** and **cupcakes**.

Available in different sizes, grammage and colours, the muffin moulds are made with greaseproof and non-stick paper, approved for food contact. The molds for muffins are **suitable for the oven** (up to 220°C) and for the **denester machines**.
