

M12 Series Two-Piece Type Circular Connector

Overview

ATTEND offers robust M12 two-piece connectors designed for industrial automation and sensor signal transmission, featuring modular construction with separate plastic contact carriers and metal threaded coupling shells. These connectors support A, D, and X coding options, providing reliable and versatile solutions for various industrial communication needs.

Connect to Your Success

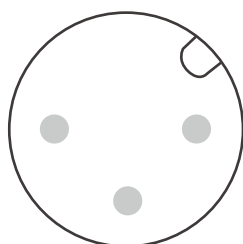

Features

- Fully compliant with IEC 61076-2-101
- Flexible modular design for easy assembly and maintenance
- Multiple coding options to support diverse communication protocols
- High ingress protection and electromagnetic compatibility (EMC)
- Space-saving and reliable connection suitable for harsh industrial environments

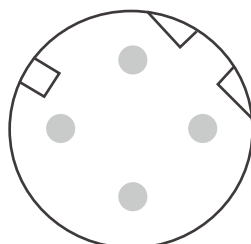

Application

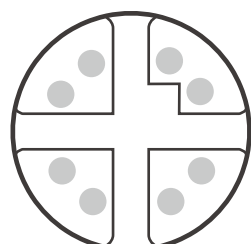

- Industrial Automation
- Transportation & Rail Systems
- Ethernet & Fieldbus Communication
- Agriculture and Outdoor Equipment
- Machinery and Telecommunications
- Medical Devices

Part Number	Description
216A-04MSA	M12 Two Piece Insert, A-Code, 4Pin Male DIP Type
216A-05MSA	M12 Two Piece Insert, A-Code, 5Pin Male DIP Type
216A-08MSA	M12 Two Piece Insert, A-Code, 8Pin Male DIP Type
216A-12MSA	M12 Two Piece Insert, A-Code, 12Pin Male DIP Type
216A-04MRA	M12 Two Piece Insert, A-Code, 4Pin Male R/A DIP Type
216A-05MRA	M12 Two Piece Insert, A-Code, 4Pin Male R/A DIP Type
216D-04MSA	M12 Two Piece Insert, D-Code, 4Pin Male R/A DIP Type
216D-04MRA	M12 Two Piece Insert, D-Code, 4Pin Male R/A DIP Type
216D-05MSA	M12 Two Piece Insert, D-Code, 5Pin Male R/A DIP Type
216D-05MRA	M12 Two Piece Insert, D-Code, 5Pin Male R/A DIP Type
216A-04FSA	M12 Two Piece Insert, A-Code, 4Pin Female DIP Type
216A-05FSA	M12 Two Piece Insert, A-Code, 5Pin Female DIP Type
216A-08FSA	M12 Two Piece Insert, A-Code, 8Pin Female DIP Type
216A-12FSA	M12 Two Piece Insert, A-Code, 12Pin Female DIP Type
216A-04FRA	M12 Two Piece Insert, A-Code, 4Pin Female R/A DIP Type
216A-05FRA	M12 Two Piece Insert, A-Code, 5Pin Female R/A DIP Type
216A-08FRA	M12 Two Piece Insert, A-Code, 8Pin Female R/A DIP Type
216D-04FSA	M12 Two Piece Insert, D-Code, 4Pin Female DIP Type
216D-04FRA	M12 Two Piece Insert, D-Code, 4Pin Female R/A DIP Type
216D-05FSA	M12 Two Piece Insert, D-Code, 5Pin Female DIP Type
216D-05FRA	M12 Two Piece Insert, D-Code, 5Pin Female R/A DIP Type
216X-08FSA	M12 Two Piece Insert, X-Code, 8Pin Female DIP Type
216X-08FRA	M12 Two Piece Insert, X-Code, 8Pin Female R/A DIP Type
216-00M0B	M12 Two-piece housing, Male, Rear Fastened
216-00F0B	M12 Two piece housing, Female, Rear Fastened
216-00F0B-01	M12 Two piece housing, Female, Front Fastened
216-00M0B-01	M12 Two piece housing, Male, Front Fastened
216-0004	Dust Cover, M12 Female Water Proof Used
216-0005	Dust Cover, M12 Male Water Proof Used
