LONG INDUSTRY PRESENCE

Geographical Advantage due to Presence of an Entire Eco System

Enhanced Operational Efficiency and Cost Reduction...

Leveraging Shared Resources and Infrastructure helps us in Operational Efficiency, Reduces Costs, and helps with the adoption of the Best Business Practices.

Proximity to the Raw Material Supplier...

Helps in reduced cost of Transportation, Shortening of Lead Time and Quick response to our Customers Emergencies.

Enhanced Collaborations...

leading to quicker problem-solving and a faster flow of knowledge and ideas.

Technical Advantage due to Access to...

Diverse Talented Workforce, Testing Facilities and Labs, Special Machine Manufacturers, Plating and Calibration Services.

Innovation and Knowledge Sharing...

Fosters efficient exchange of ideas, data, expertise, and best practices among diverse participants

Versatile Material Expertise for Customised Solution...

We provide customized components across multiple metals including...

- Brass
- Aluminum
- Bronze
- Copper and
- Mild steel...

Offering our Customers the flexibility to navigate thru

- Current volatile pricing of Base Metals
- Embrace innovation and
- Achieve continual improvement

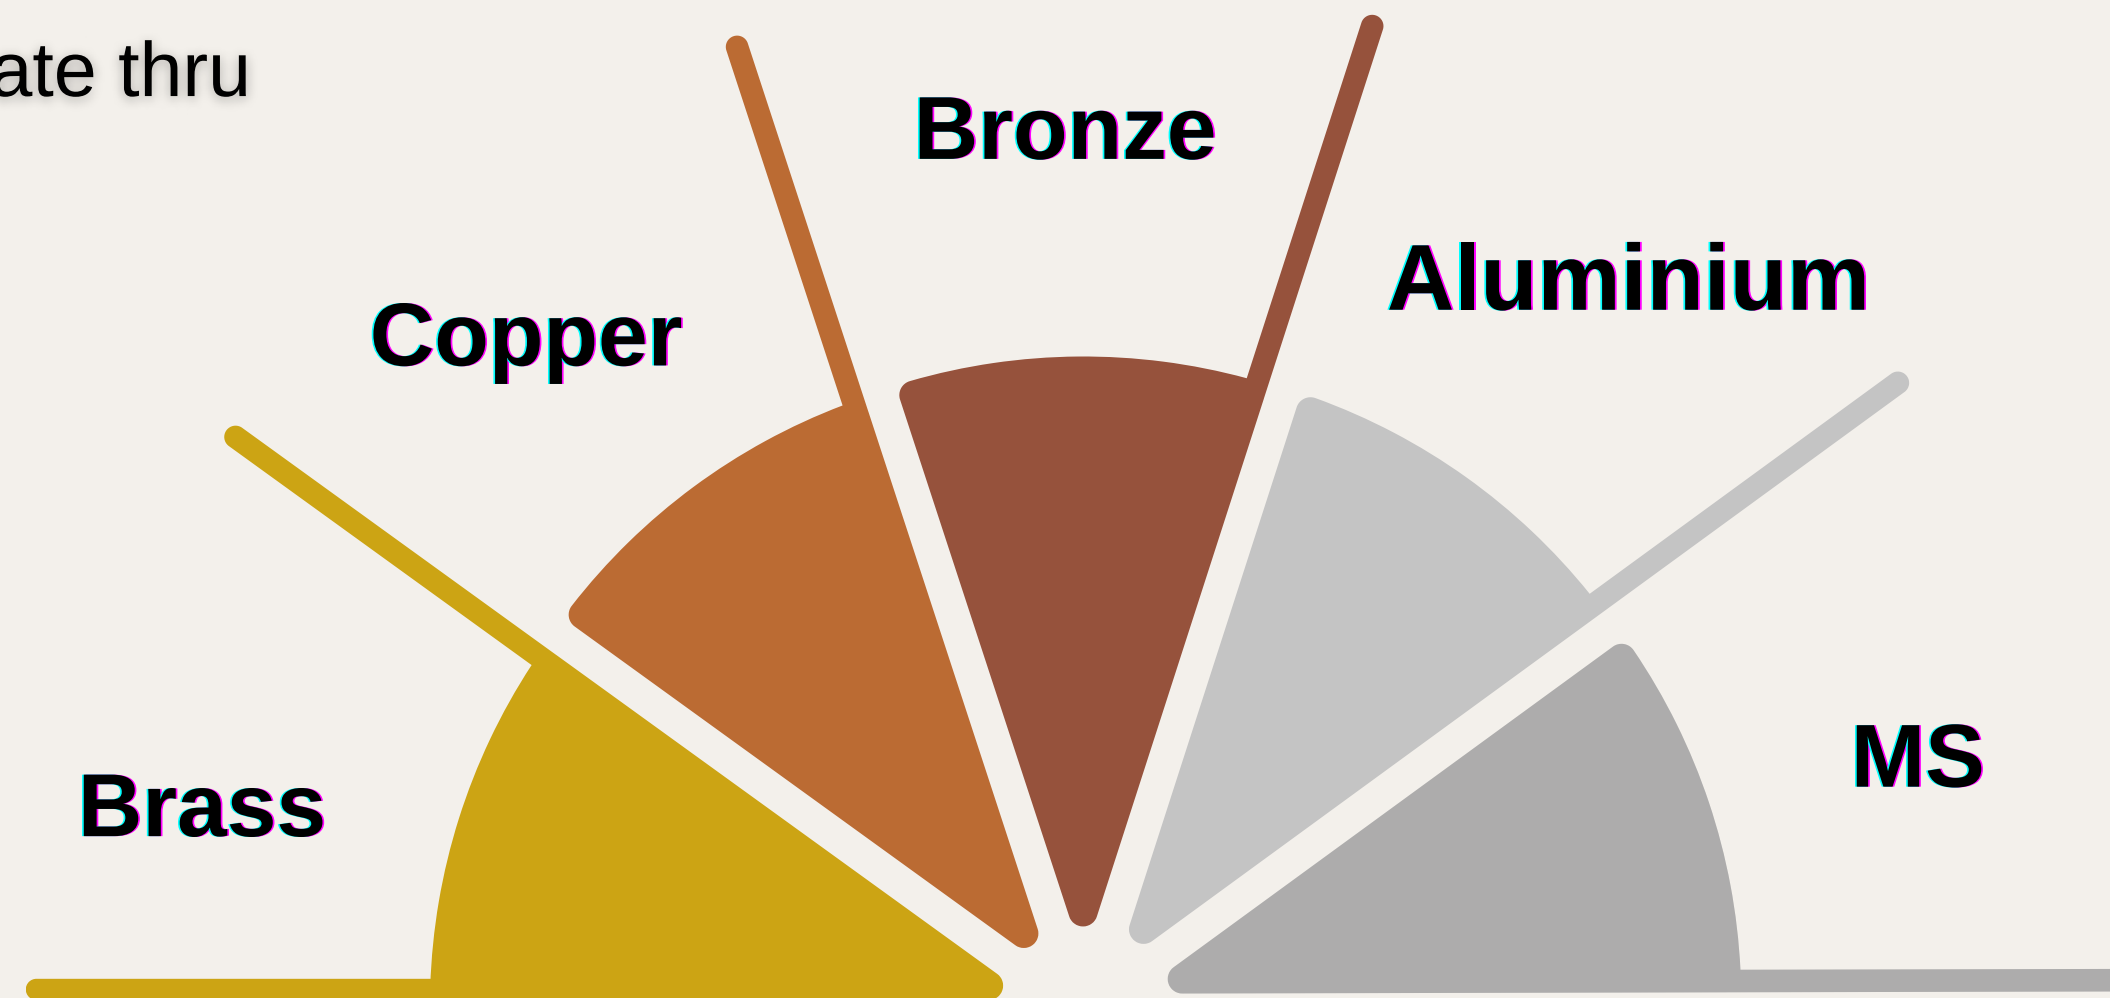

With a single

Reliable partner.....

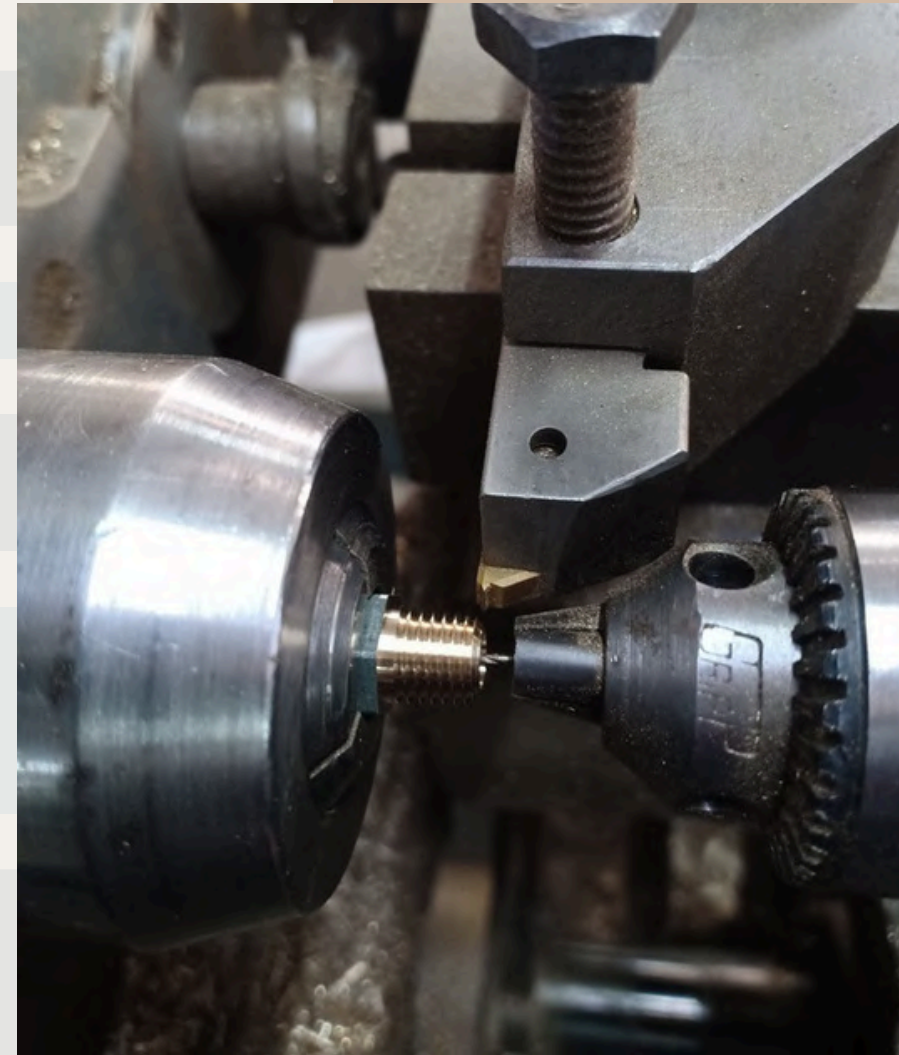

ISO 9001 & IATF 16949 CERTIFIED COMPANY

METAL INDIA

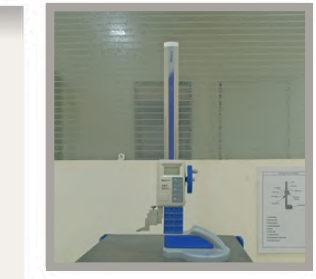

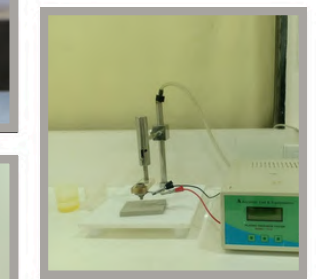

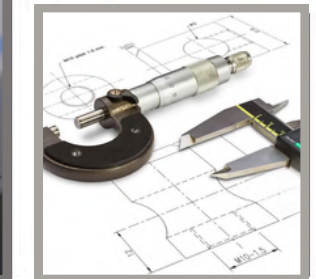

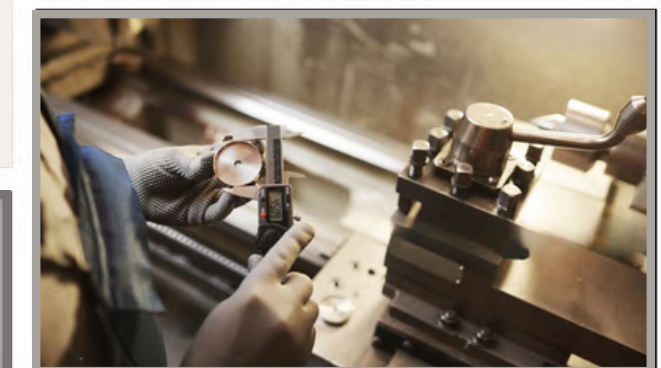

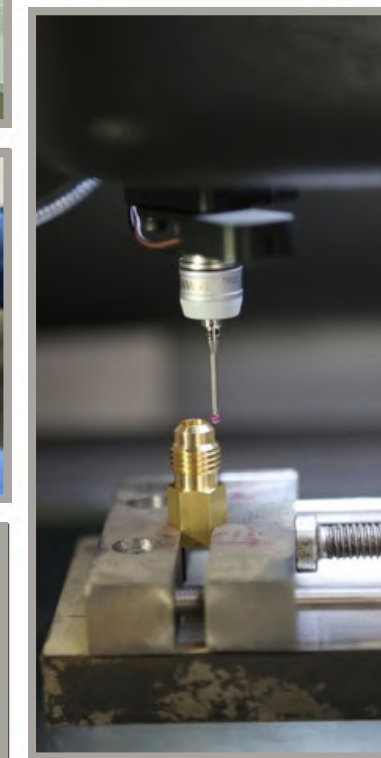

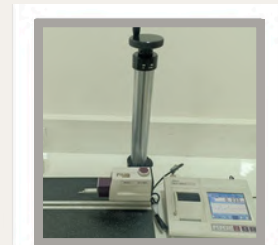

Our Capabilities...

- Processes we make - CNC turning, Milling, Drilling, Threading, Marking, Slotting, Forging, Brazing Assembly.
- Metal We craft - Brass, Copper, Steel, Aluminium, Silicone Bronze
- Size - 3 mm to 300 mm
- Finishing - Chrome, nickel, silver, gold, tin, zinc
- Tolerance we maintain - up to 0.01 mm

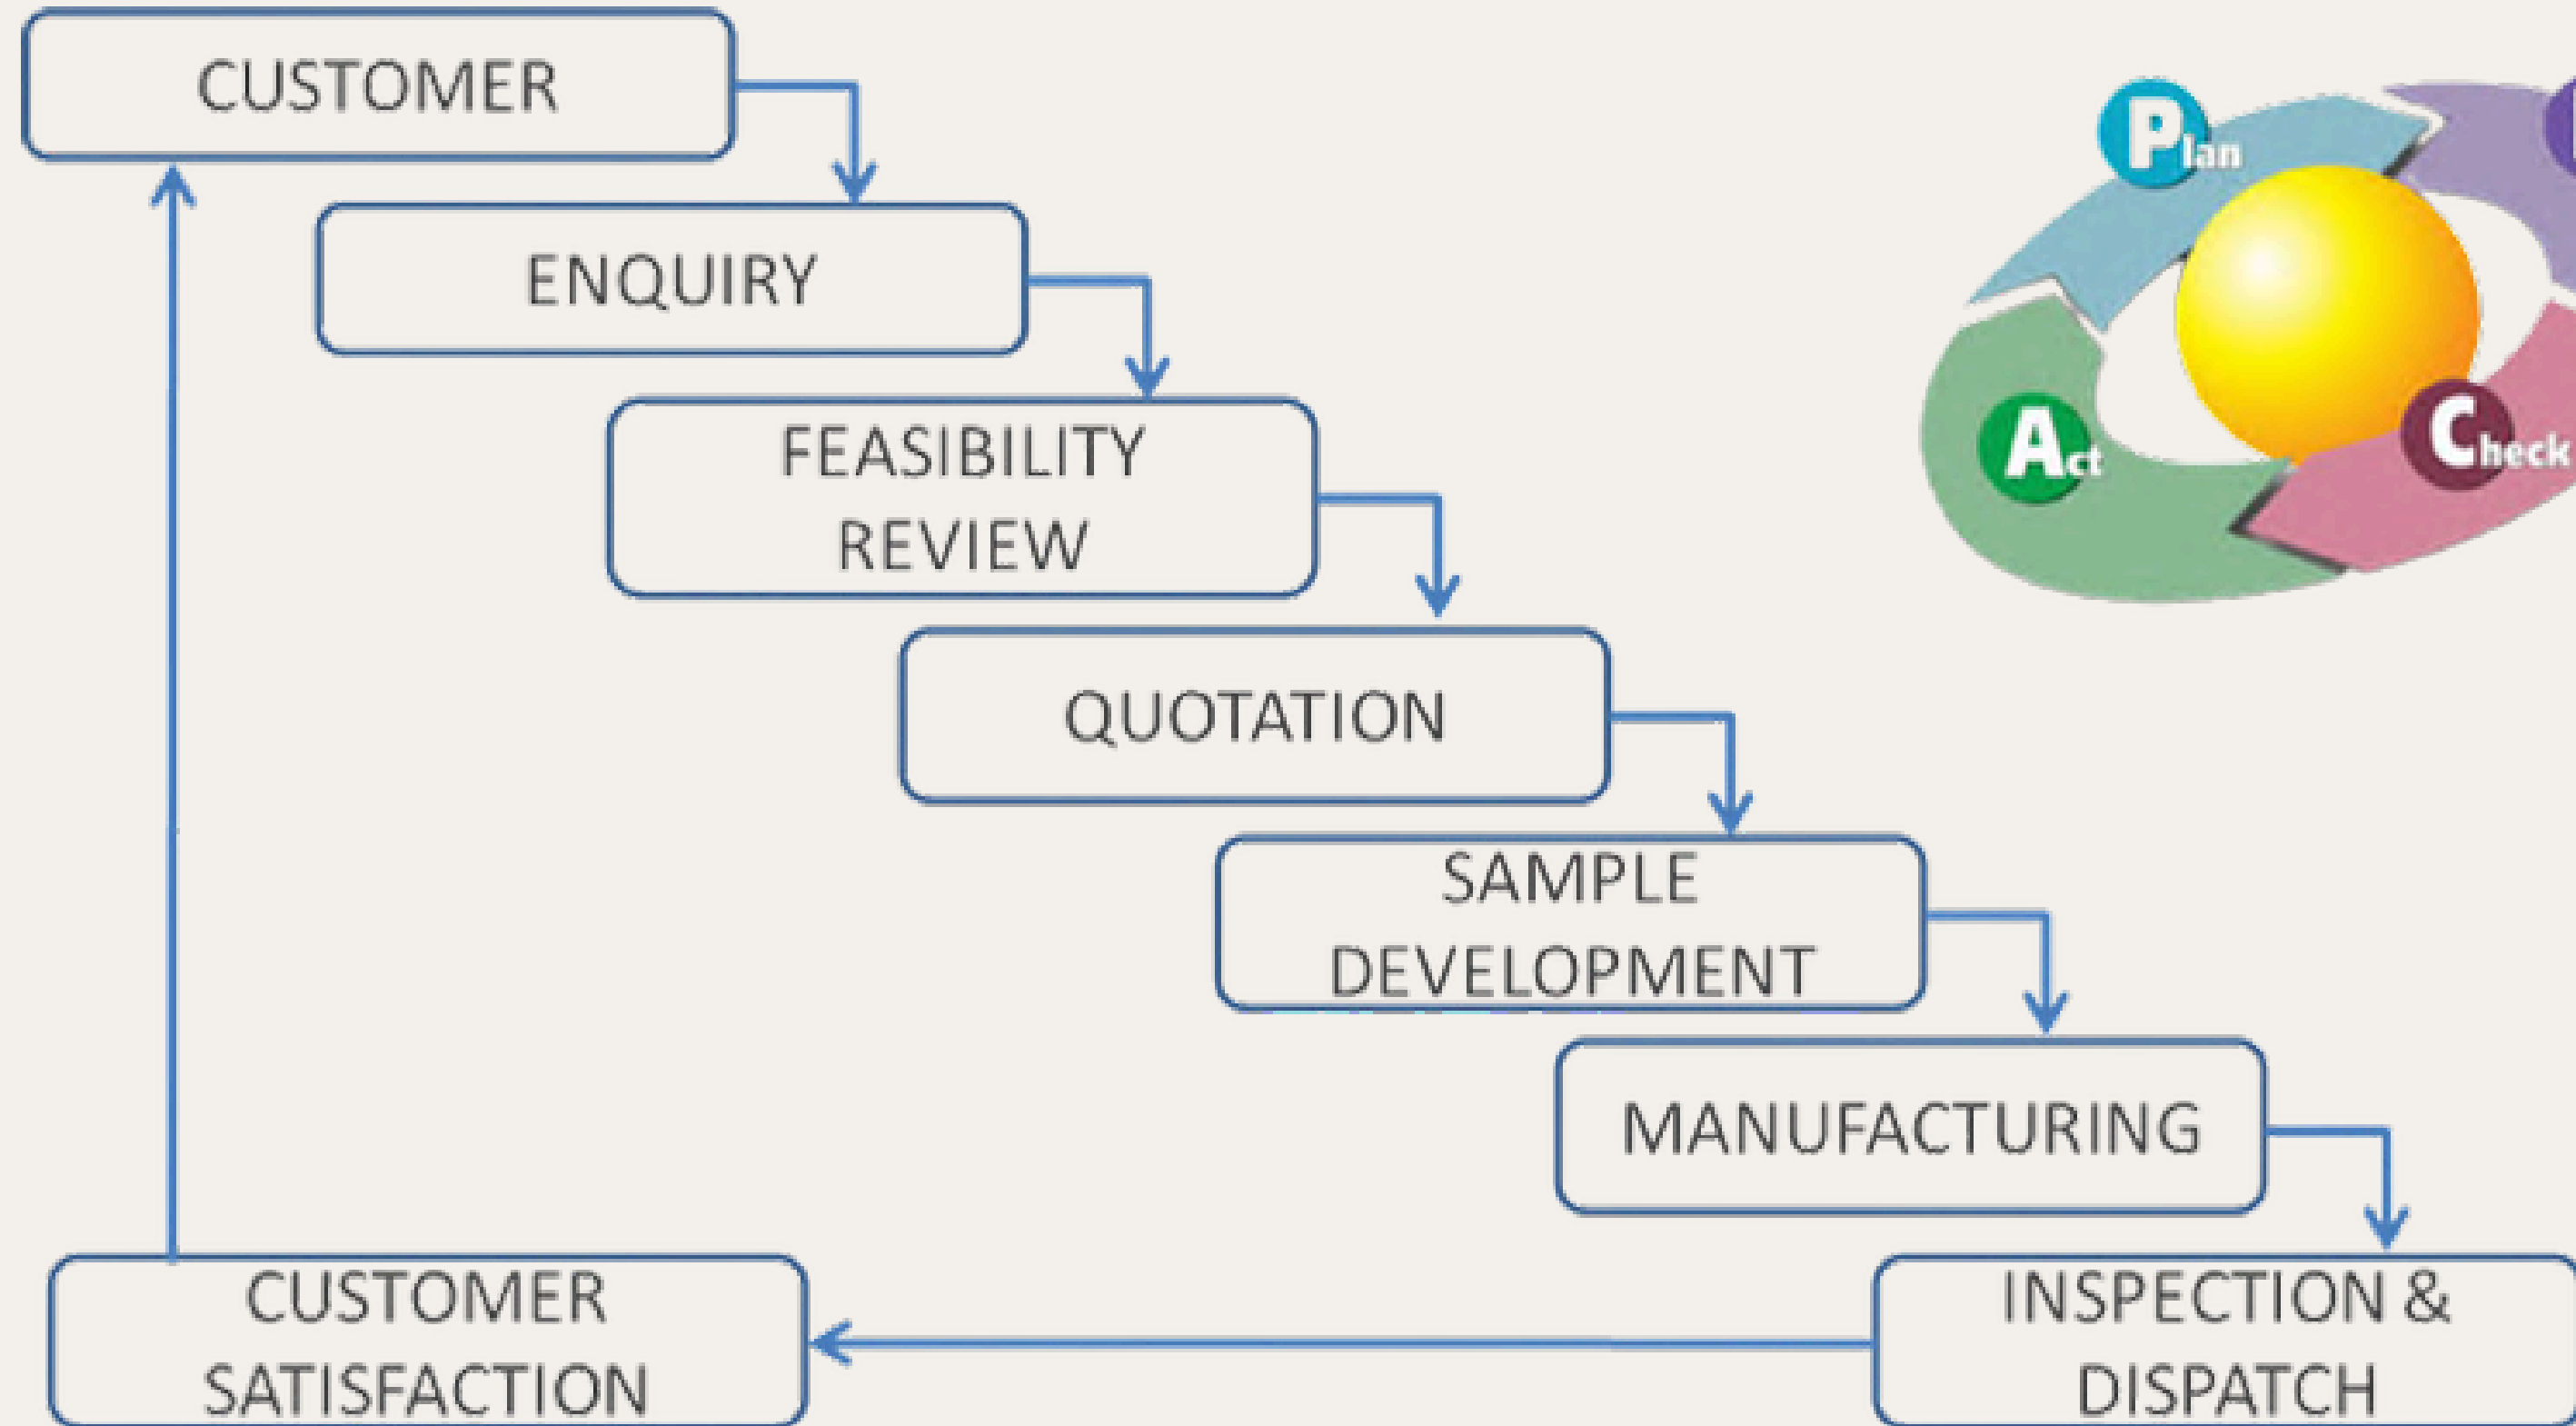

Quality Testing Facilities...

- Vision Measuring System for error proof measurement
- Profile Projector
- Surface Roughness Tester
- Spectrometer
- Various types of thread gauges
- Pin gauges for verification of critical drilling
- Third party verification of material grade
- Helium Leak Testing Facility...

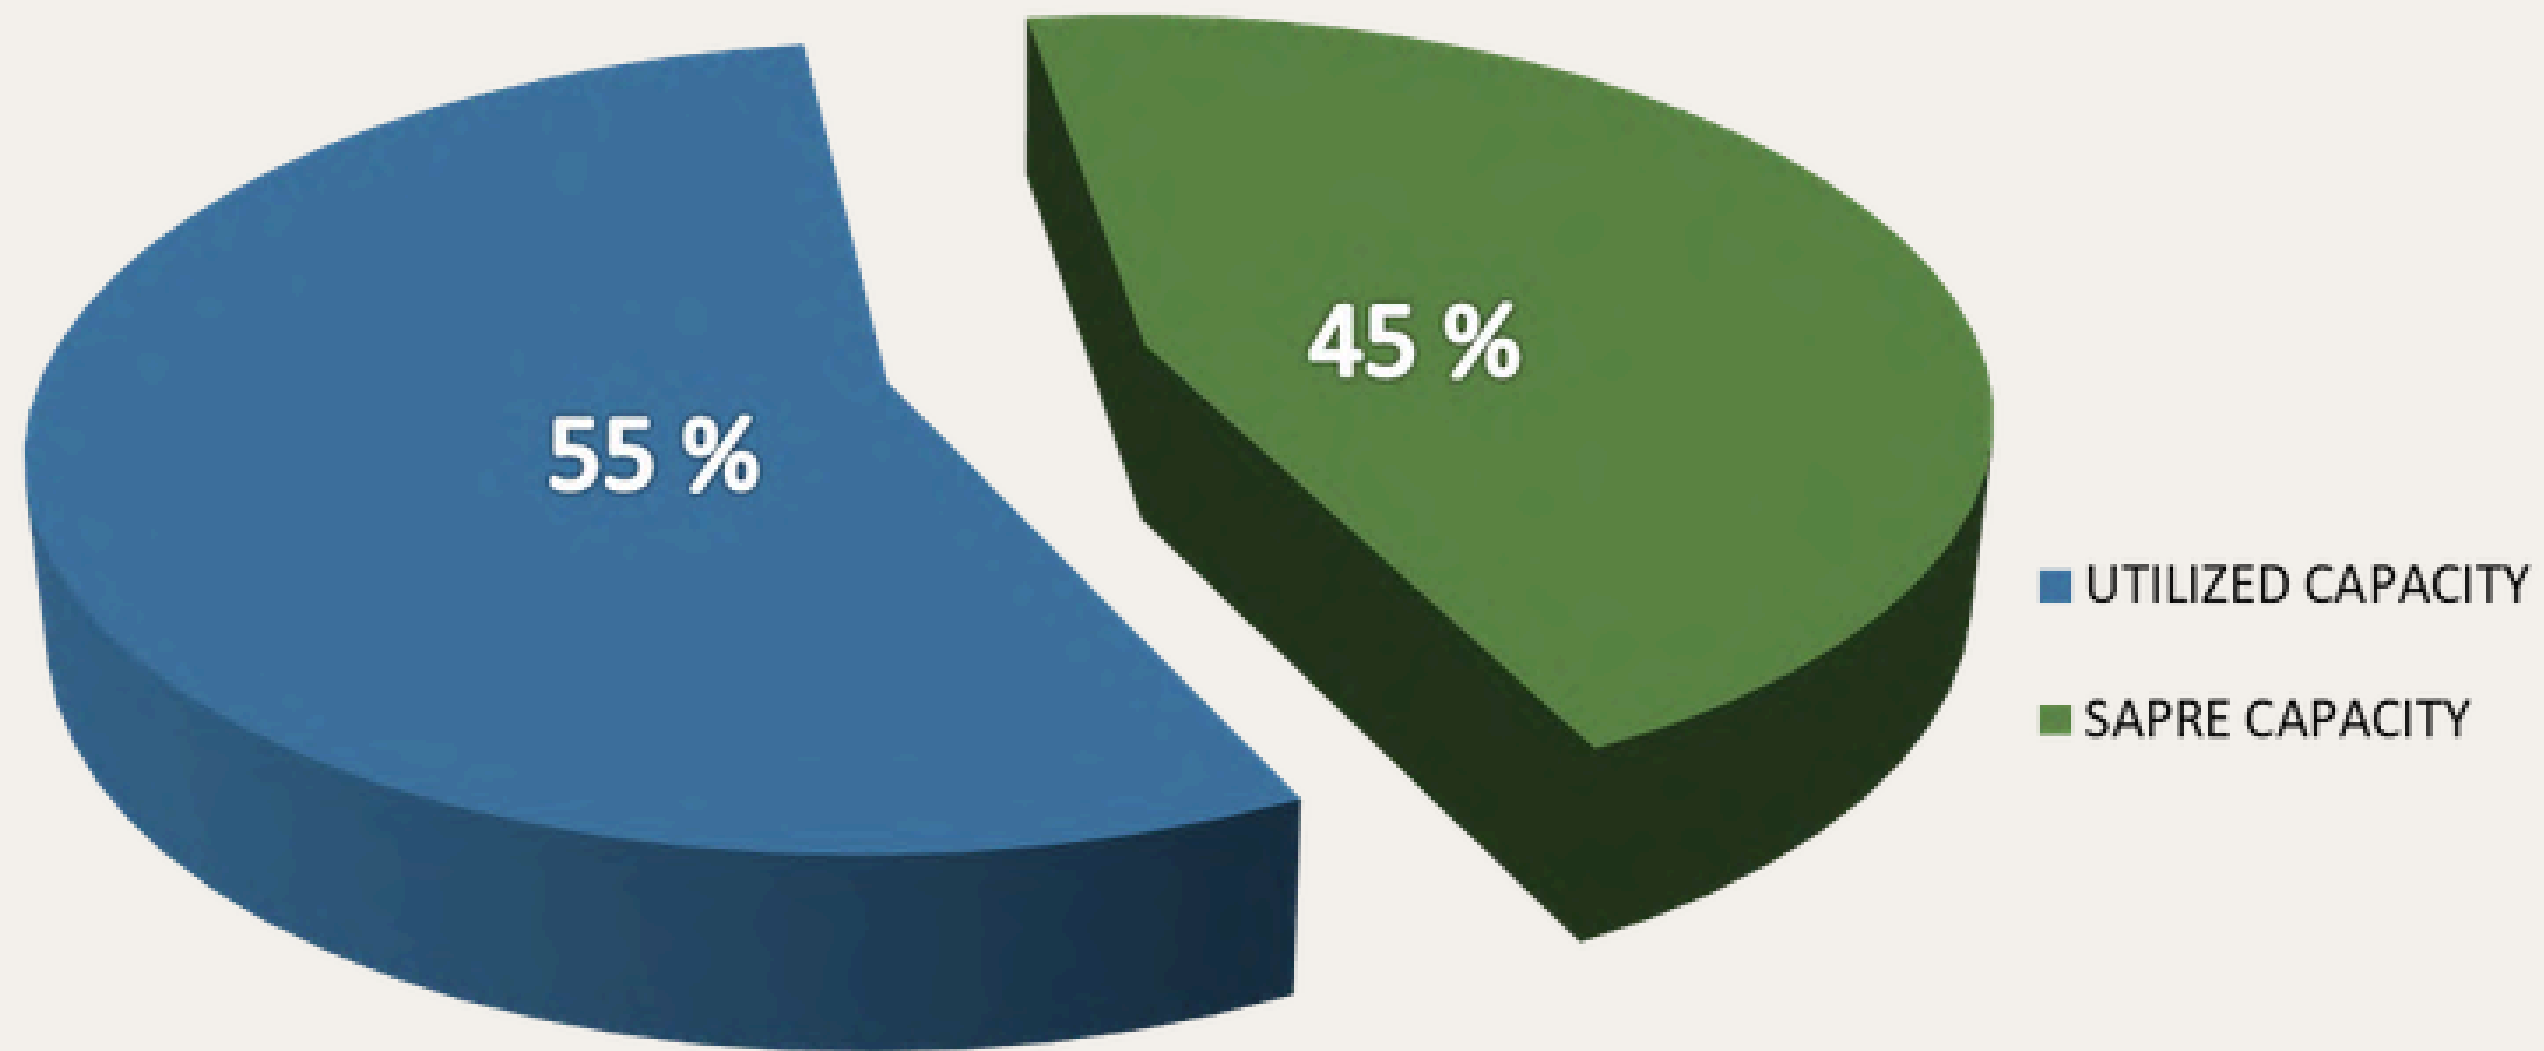

Business Flow Chart

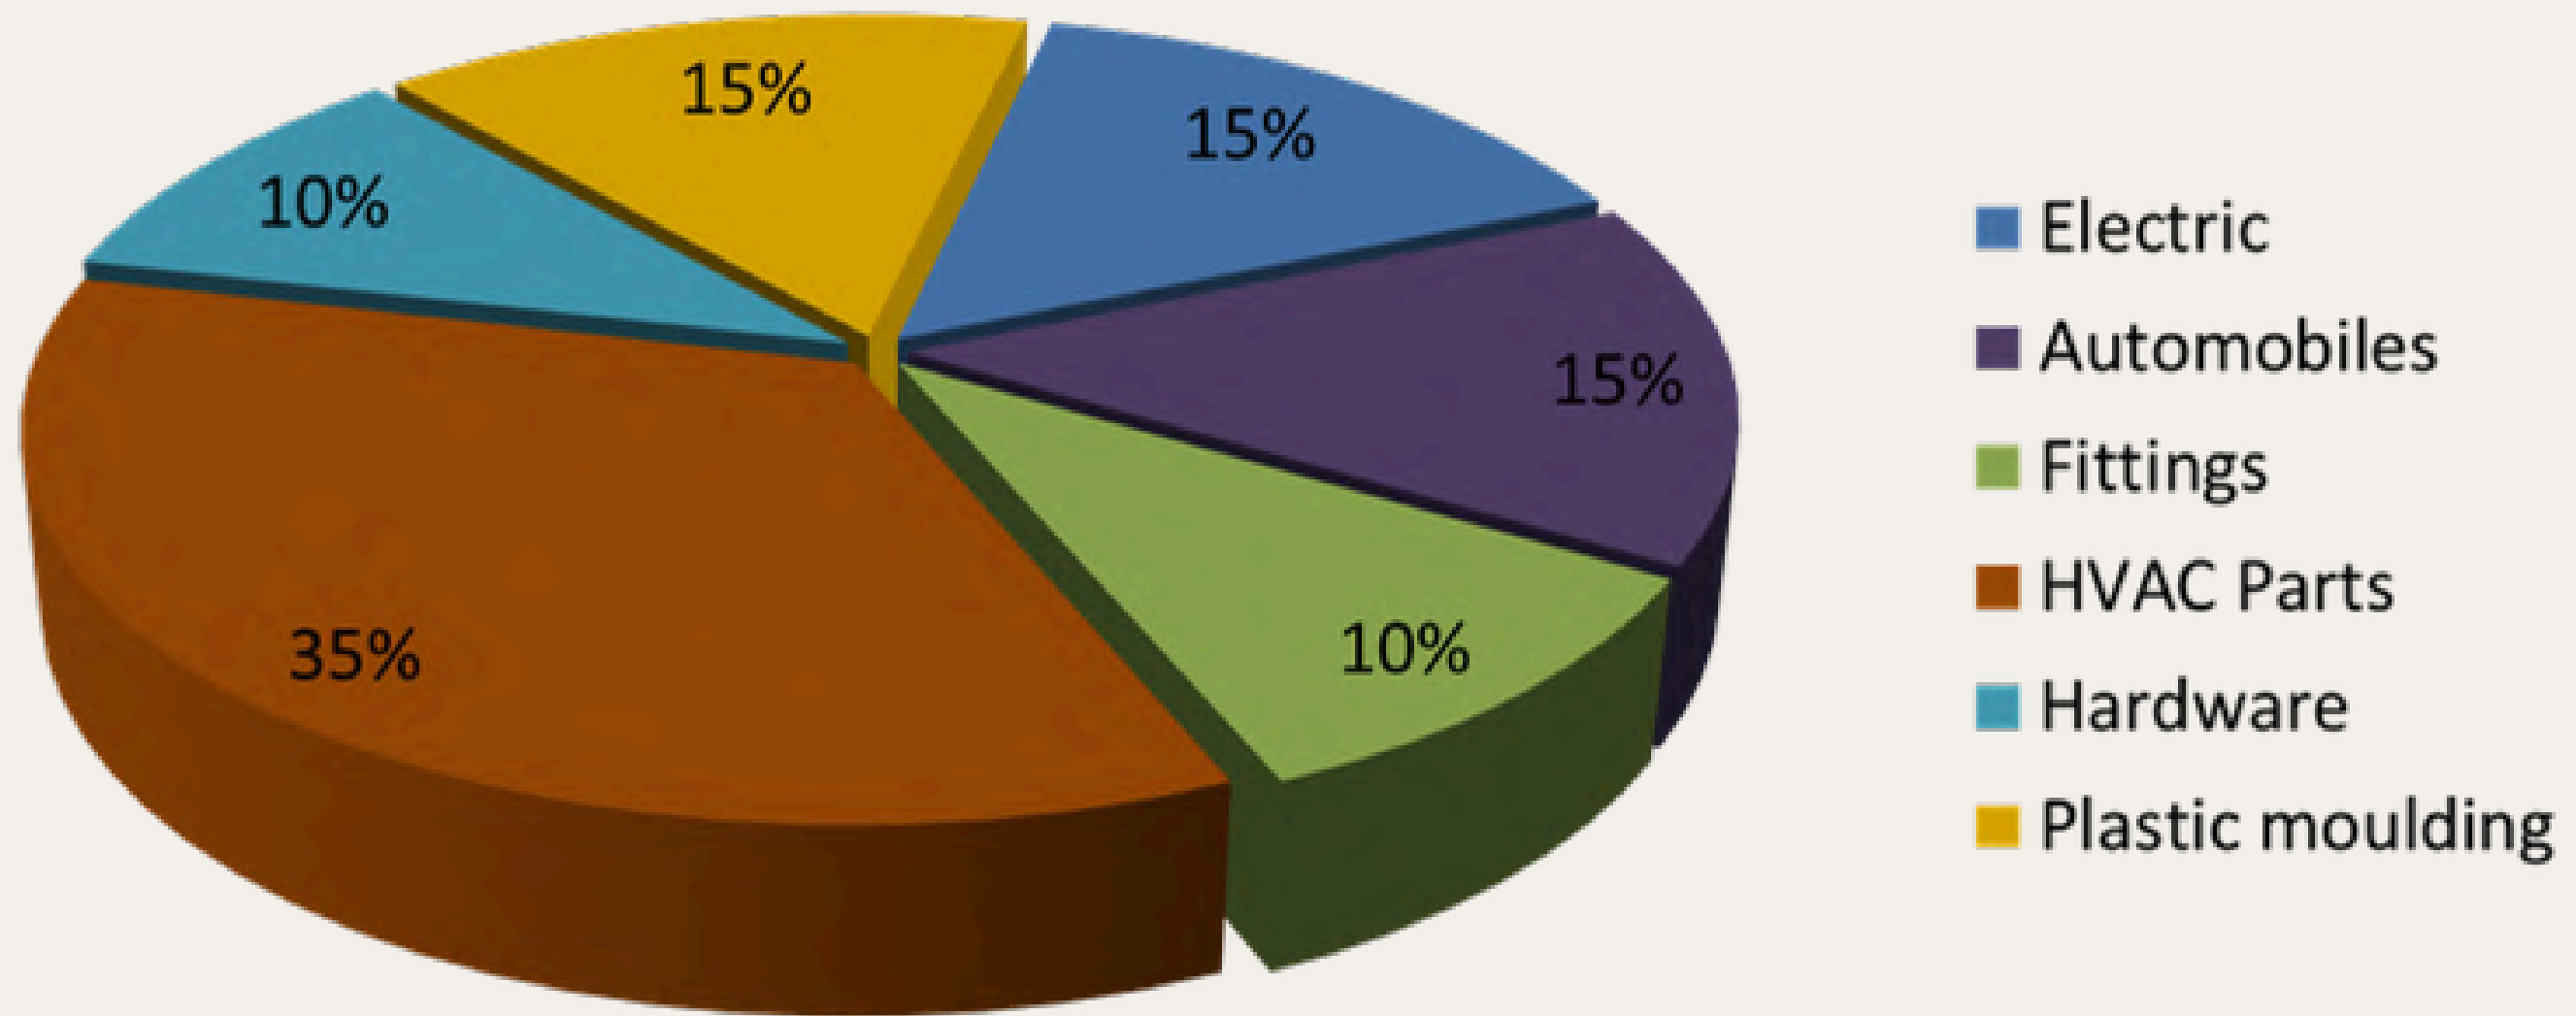

Capacity Utilization

With 45% spare production capacity, we offer our Partners the assurance of immediate Scalability and Flexibility to meet their **Urgent and Expanding Requirements** without compromising on Precision or Delivery timelines.

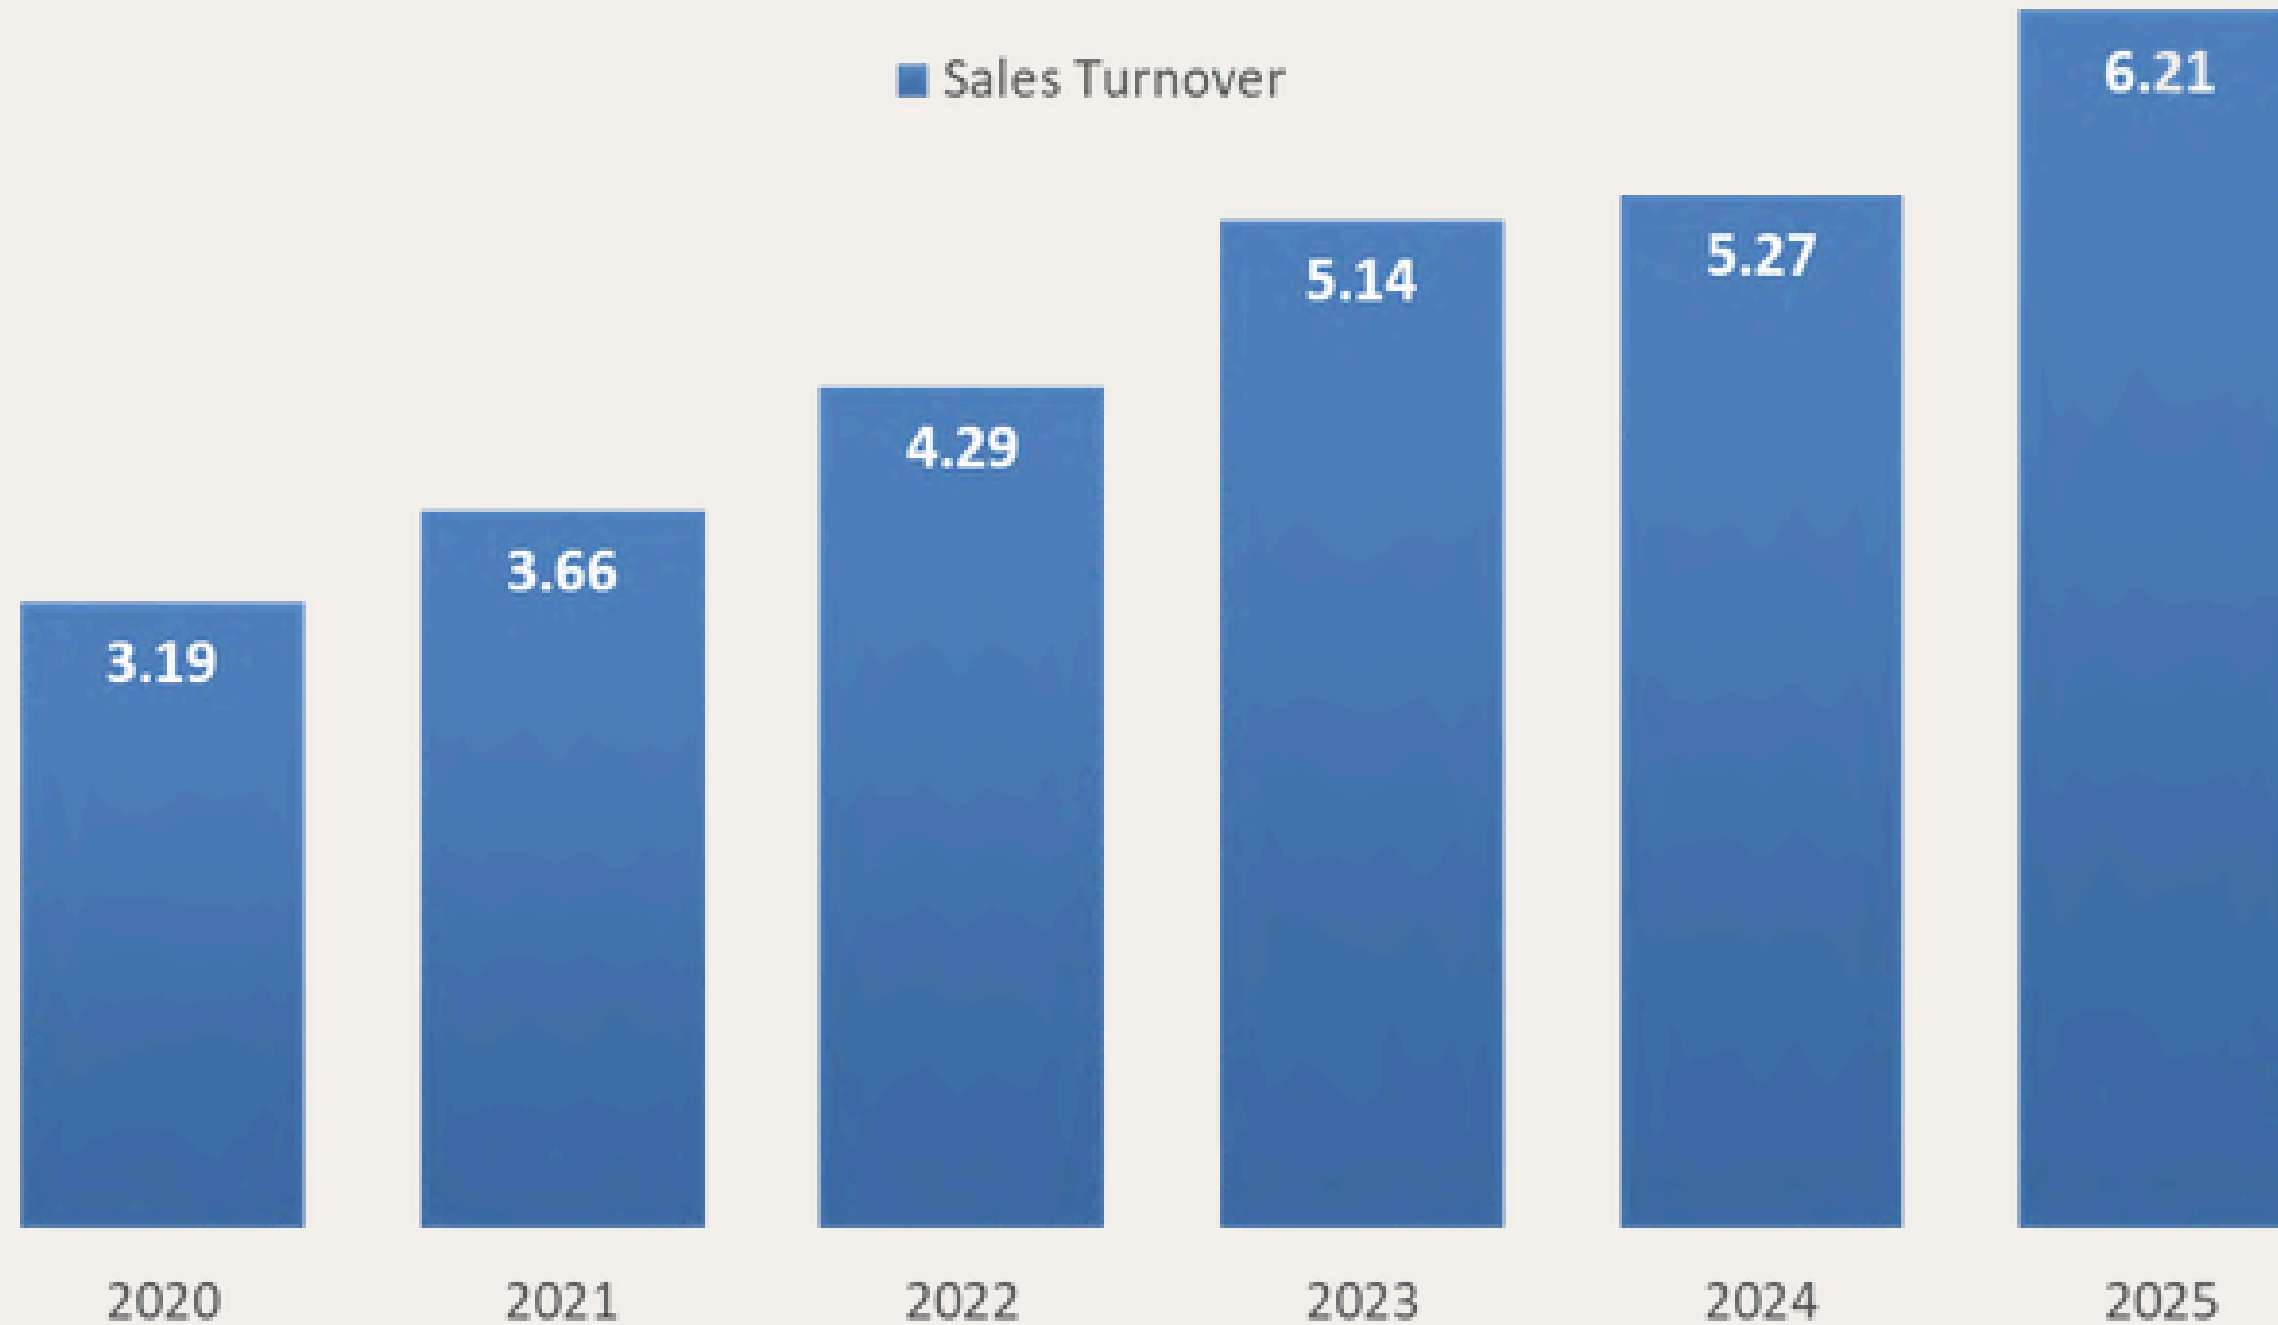

Industry wise Business Segment Classification

Last Six Years Sales Turnover

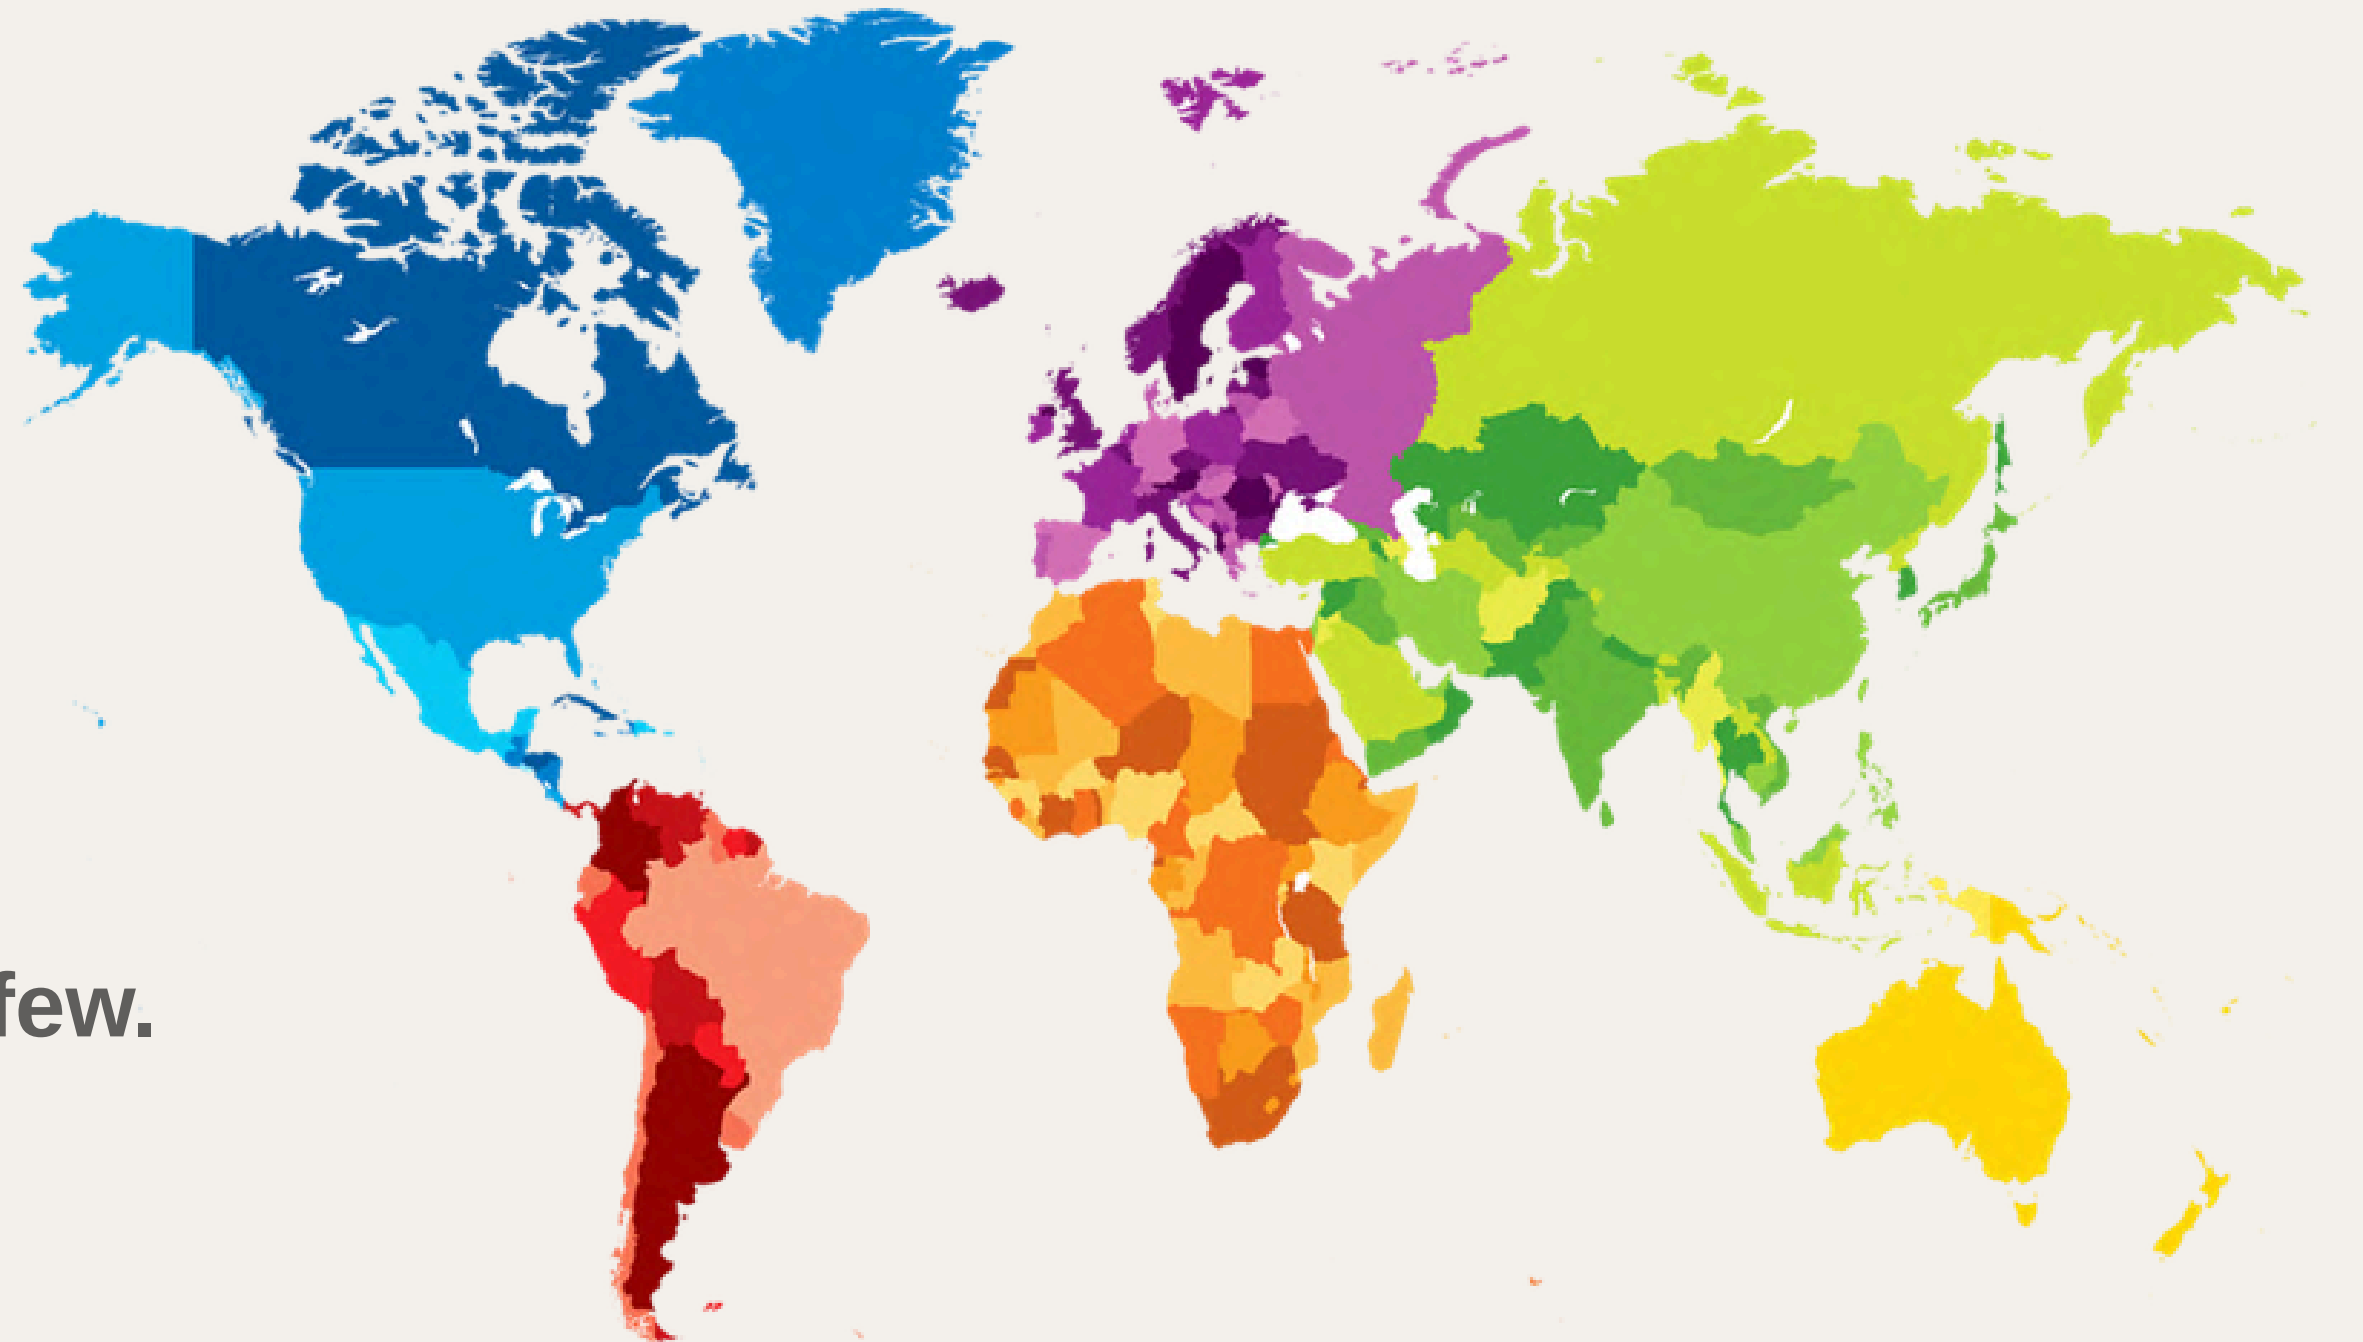

Sales Turnover in Million USD

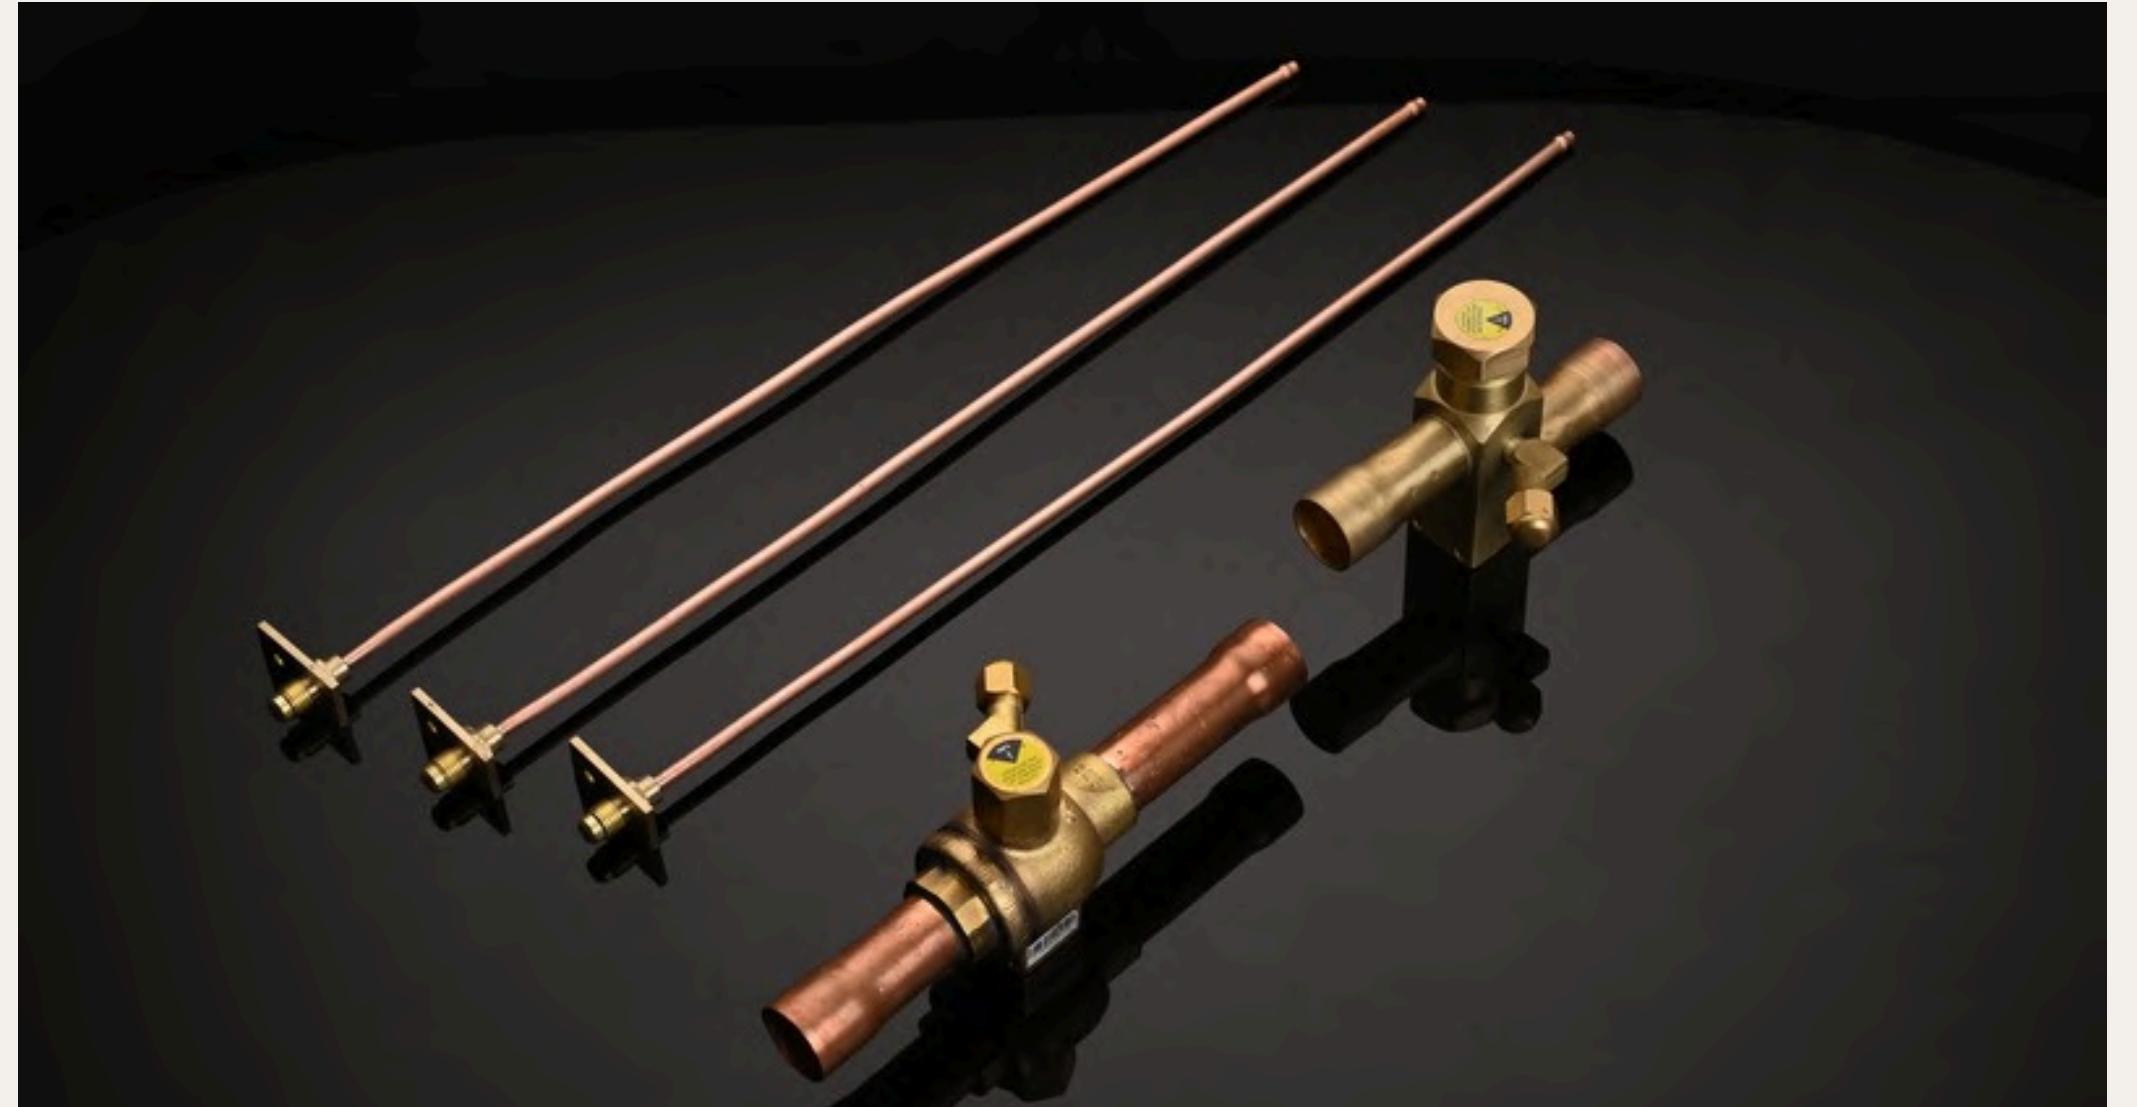

Our Global Presence....

In a short span, Alliance Metal has been successfully exporting brass parts to...

- USA
- CANADA
- MEXICO
- UNITED KINGDOM
- FRANCE
- GERMANY
- SPAIN
- ITALY
- DUBAI
- SOUTH AFRICA to name a few.
