Individual recipes

Our concepts.

USP.

Individuality

We guarantee every customer products with a unique selling point.

Service

We support our customers in all aspects of product development, formulation and design.

Performance

We offer our customers the growth opportunities they need.

Innovation

We also supply young start-ups that develop into established players on the market together with us.

Selection of the best ingredients

- First-class ingredients such as innards and fresh meat
- Classic varieties such as chicken and beef or unusual options such as kangaroo and reindeer

Food certification

- Compliance with the same strict standards as in the food industry
- IFS, Organic and MSC Certification

Free from artificial additives

- Free from artificial colors, flavors and preservatives

Optimal nutrient balance

- Variety of vitamins, minerals and essential fatty acids

Attention to special needs

- Tailor-made nutrition for every stage of life of our dogs and cats
