POWER
NATION

**MANUFACTURER
OF FIREARM UPGRADES
AND ACCESSORIES**

Forged by experience. Made in Ukraine.

gun-power.com.ua

Gun Power Nation was founded in 2022, shortly before the outbreak of the full-scale war. The company's primary mission is to provide technical and material support to the Armed forces of Ukraine.

Thanks to our well-established in-house manufacturing, we quickly and efficiently adapted our production processes to meet wartime demands. Our products have been successfully tested under the most extreme conditions, with the involvement of expert instructors, professional shooters, and military personnel. We offer only proven and approved solutions that contribute to our shared victory.

A close-up, high-angle photograph of a rifle's rear section. The focus is on the black, textured handguard and the olive-drab buttstock. The handguard features a series of vertical slots and a textured grip surface. The buttstock has a large, circular magazine release button and a textured grip. The background is a blurred, warm-toned surface.
