

HYPONIC Hypoallergenic Shampoo for all cats _Scented & Unscented

Nourish your paw-tner's skin and coat with a shampoo you can fully trust. Your pet's skin is five times more sensitive than human skin which is why this Hyponic Hypoallergenic Cat Shampoo (For All Cats) is formulated with only natural ingredients!

This formula is specially designed for cats, and unlike other shampoos on the market, it's completely free of harmful chemicals like parabens, sulfates, silicone, mineral oil and more! As you massage it into your furry sidekick's skin and fur, it will create a rich, creamy lather for a finish that's so soft, you won't even need to follow it with a conditioner. And since it's hypoallergenic, it's especially great for sidekicks with sensitive skin!

Key Benefits

- **Hypoallergenic & Natural** - Made with 100% natural cleansing agents. Completely free of harmful ingredients like sulfates, parabens, silicone, and mineral oil.
- **SUITABLE FOR ALL CATS OR KITTENS** - Hypoallergenic shampoo cleans, soothes, softens, and conditions cat's skin and coat.
- **DERMATEST RATED, EXCELLENT** - Awarded by the German Dermatological Research Institute, founded in 1979 which tests skin tolerance based on the strictest int'l standards.
- **No Conditioner Required** - Botanical amphoteric surfactants provide both cleansing and conditioning effects in one step.
