

# Prominall<sup>®</sup>

We are a Turkish manufacturer of all-natural dried dog chews and treats. Our products are made from parts of cattle, cow, lamb, goat, chicken, camel, and horse.

All of our products are manufactured in compliance with HACCP guidelines and ISO standards.

Here are some examples of our commitment to food safety:

- 100% traceability of all raw materials, ingredients, packaging, and finished products.
- Our entire team receives regular training in our good manufacturing practices.
- We insist on the highest food safety standards from all our suppliers and continuously review and monitor compliance with our standards.
- We regularly sample incoming ingredients, raw materials, and finished products and have them analyzed by an independent external laboratory. This includes, but is not limited to, heavy metal testing, compositional analysis, and microbiological examinations.

For private label inquiries, please do not hesitate to contact us.
