

TACTICAL PRO

From the experience matured in over 30 years at the top of shooting competitions comes this "Tactical" pistol with unique features, built and improved thanks to the valuable suggestions provided to us by many instructors of Police and Military forces operating in all the world's most difficult scenarios. Simply unbreakable.

MODEL  
TACTICAL PRO

HEXAGON TACTICAL

This new Tanfoglio Tactical pistol come with the new HeXagon integral compensator featuring a single port bull-hammer-forged barrel. This compensator reduces muzzle flip and enhances control, firing speed and accuracy. The front sight is positioned behind the compensator to ensure an uninterrupted sight line.
