Dibaq Natural Moments

Dibaq Natural Moments is a five-star flavor experience. Each recipe is a culinary masterpiece made with premium natural ingredients: meat or fish as the first ingredient, rice as the only healthy grain, fresh vegetables, and a touch of olive oil. We complete each recipe with 6 functional complexes that nurture their health at every stage of life.

ONLY INGREDIENTS YOU KNOW

1st INGREDIENT MEAT & FISH

Meat or fish is always the first ingredient, ensuring high-quality proteins for health and vitality. In addition, we are fully committed to total transparency regarding the origin of every ingredient a true symbol of commitment and quality.

ONLY RICE Monograin

Rice as the single healthy cereal ingredient, considered hypoallergenic, easy to digest, and suitable for intolerance-free diets.

OLIVE OIL Mediterranean Diet

Olive oil, rich in antioxidants and healthy fats, reflects our Mediterranean origin and our commitment to balanced nutrition.

VEGETABLES & GREENS

Cooking with vegetables nourishes the body with natural fiber and vitamins, supporting health and providing the energy needed to enjoy every moment together.

6 FUNCTIONAL COMPLEXES

All recipes include 6 functional complexes, our distinctive seal that turns a five-star menu into a gesture of care, promoting health beyond nutrition.

Natural Moments

SEGOVIAN
soul

Our family group was born in 1951, in the heart of Segovia, a dream forged with passion and commitment. Since then, we have carried within us the pride of a tradition that defines us. We are origin. We are soul. We are heart.

OUR OWN
kitchens

We are manufacturers. We blend tradition with the strength of our own innovation in R&D, guided by our roots in the land and our love for our faithful companions.

PASSIONATE
care

Our beloved companions mean the world to us. That's why we're devoted to giving them the best nutrition and caring for them with all the love and dedication they truly deserve.
